AUTOMOTIVE REPAIR WARRANTY POLICY

Our facility provides a written limited warranty covering qualifying repairs and services performed at our shop.

GENERAL WARRANTY COVERAGE

We warrant that parts installed and labor performed on most mechanical repairs will be free from defects in materials and workmanship for a period of twenty-four (24) months or twenty-four thousand (24,000) miles, whichever occurs first, from the date of the original repair invoice.

This warranty applies under normal driving conditions and covers the repair or replacement of defective parts and associated labor necessary to correct the original repair concern.

WARRANTY EXCLUSIONS

Due to the complex nature and variables associated with major internal component repairs, the following services are specifically excluded from the standard warranty coverage:

- Engine rebuilds or internal engine repairs
- Transmission rebuilds or internal transmission repairs
- Used or customer-supplied parts
- Performance or modified vehicle components
- Commercial, fleet, off-road, racing, or severe-duty use
- Failures caused by abuse, neglect, overheating, lack of maintenance, accidents, or subsequent unrelat
