We only issue refunds if we are unable to provide the part you need as a functional mechanical unit or in sufficiently good condition for cosmetic items. No longer needing an item, or obtaining a replacement elsewhere when we have one available is NOT a valid reason to request a refund. If an item is incorrect or non-functional or otherwise unsatisfactory, we will provide one that is or log the return as store credit. If we make a mistake we cover shipping, if the customer makes a mistake (ordering the wrong part number or wrong part completely) return and replacement shipping is the customers responsibility. We reserve the right to charge a restocking fee up to 15% of the order total on returns due to a customer mistake. Please be aware of this policy before placing your order and if you have any concerns or questions don't hesitate to ask. Our goal is to be fair and honest.
