			head Gasket Replacement	200.00			1525.00
TOTALS							

The above is an estimate based on an inspection and does not cover any additional parts or labor which may be required after the work has been started. Occasionally, worn or damaged parts are discovered which may not be evident on the first inspection. Because of the above, prices are not guaranteed. Additionally, prices are subject to change without notice. By your signature, you acknowledge and agree to the terms herein and on the reverse.

AUTHORIZATION FOR REPAIR
You are hereby authorized to make the above repairs under these terms.
