Your Mercedes-Benz model 230 SL
Vehicle identification number (VIN) 113 042 12 017 478

Dear Mrs. Reinert,

Thank you very much for your letter.

We are pleased to be able to give you the requested information on your Mercedes model 230 SL. The car in question was completed on August 9th, 1966 and afterwards delivered to the first owner via our Cologne branch.

We would like to comment on the equipment as follows:

Paintwork, upper part	DB-Code	158	white grey
Paintwork, lower part	DB-Code	158	white grey
Interior equipment	DB-Code	116	caviare
Special Versions	Code	401	Single seats
		415	Hardtop (less roadster top)
		426	Mercedes-Benz power steering and automatic transmission with floor shift
		431	Safety belts, front
		511	Becker radio set 'Mexico' LMKU

...

Your Mercedes-Benz car was equipped with the above-mentioned optional extras when it was delivered. Of course, it is possible that modifications and subsequent fittings were made in the course of the years. However, we regret not to have any information on this.

We wish you continued happy motoring with your Mercedes-Benz 230 SL.

With kind regards,
DaimlerChrysler Classic

Dr. Niemann
