10/21/2015		General Motors	<b>Manufacturer Safety recall issued</b> - NHTSA #15V701 - Transport Canada# 2015501 - Recall #N150757 UNDER HOOD FIRE - Status: Remedy Available

Locate an authorized General Motors dealer to obtain more information about this recall.

⊖ **Learn more about this recall**

**Description:** General Motors has decided that a defect which relates to motor vehicle safety exists in certain of the following vehicles equipped with a 3.8L V6 engine (Regular Production Option L26, L32, L36 or L67): 1997 - 2004 model year (MY) Buick Regal, 2000 - 2004 MY Chevrolet Impala, 1998 - 1999 MY Chevrolet Lumina, 1998 - 2004 MY Chevrolet Monte Carlo, 1998 - 1999 MY Oldsmobile Intrigue, and 1997 - 2004 MY Pontiac Grand Prix. Certain of these vehicles have a condition in which drops of engine oil may be deposited on the exhaust manifold through hard braking. This condition could cause an engine compartment fire. Certain of these vehicles produced before June 26, 2003 were subject to General Motors' prior safety recalls 08V-118 (07035), 09V-116 (09047) and 15V-201 (14574). In some cases, the remedy procedure performed on these vehicles pursuant to the prior recalls may not be sufficient to prevent subsequent engine compartment fires relating to this condition in the affected vehicles. Vehicles previously repaired under the referenced recalls will receive further repairs as part of this recall.

If drops of engine oil are deposited on a hot exhaust manifold, an engine compartment fire could occur.

**Remedy:** Dealers will replace the engine's front valve cover and front valve cover gasket free of charge. The engine's plastic "beauty" cover and plastic oil fill tube extension will be removed, if they haven't been already, also free of charge.

## Glossary

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

### New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

### Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

### Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
