SAFETY WARNING

SERIOUS INJURY MAY RESULT FROM:

- Tire failure due to underinflation/overloading—follow owner's manual or tire placard in vehicle.
- Explosion of tire/rim assembly due to improper mounting—only specially trained persons should mount tires.

TIRE SPINNING

CAUTION:

On slippery surfaces such as snow, mud, ice, etc., do not spin tires in excess of 35 MPH as indicated on the speedometer. Personal injury and severe damage may result from excessive wheel spinning, including tire disintegration or axle failure.

SAVES WEIGHT, SAVES SPACE

Custom Mini-Space Spare Tire*

*the stowaway spare tire from Goodyear

With a regular spare tire, some of the trunk space you need for luggage is already filled.

With a Goodyear Custom Mini-Space spare, you get extra space you can use . . . and a spare tire you can depend on.

OUT OF THE WAY . . . UNTIL YOU NEED IT

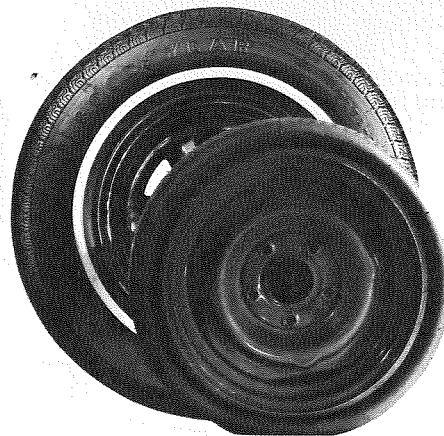

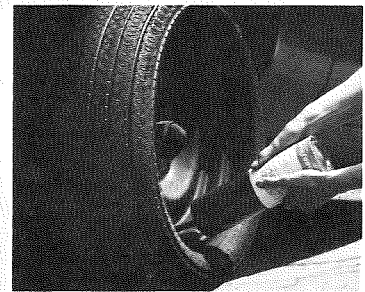

The Custom Mini-Space spare tire is a foldable tire designed to take up a minimum of trunk space and, at the same time, fulfill the function of a spare tire when needed. It's lighter than a regular spare, which makes it easier to handle. Inflated, it's a full-size tire, ready to go to work.

It is designed for temporary use — not for continuous service — at speeds up to 50 miles per hour. For this kind of temporary service, the tire has an anticipated tread life of up to 3000 miles.

The Custom Mini-Space spare tire can be used in combination with diagonal (bias) ply, bias-belted,

or radial tires. When it's convenient, the full-service tire should be repaired or replaced and the Custom Mini-Space should be deflated and returned to the trunk or storage compartment of the vehicle for future use. Important note: be sure the inflation canister is replaced or recharged and returned to its place along with the tire.

It's as easy to mount the Custom Mini-Space spare tire as a regular spare tire when you follow the simple instructions printed on the tire rim or the inflation canister. For more detailed instructions, please read your car owner's manual.

LIMITED WARRANTY

Custom Mini-Space Spare Tire Adjustment Policy

ELIGIBILITY

You are eligible for the benefits of this policy if you are the owner of the Goodyear Custom Mini-Space spare tire bearing Goodyear serial numbers and not branded "NA" (not adjustable), and if the tire has been used only on the vehicle in which it was originally installed, according to the vehicle manufacturer's recommendations.

You are eligible whether the vehicle you drive is rented, leased, or owned.

WHAT IS COVERED AND FOR HOW LONG

Any Goodyear Custom Mini-Space spare tire that becomes unserviceable from a workmanship or material condition during the first 50% of usable tread depth (1/32nd of an inch) will be replaced with a comparable new Goodyear tire without charge. Mounting is included. After the first 50% of usable tread wear (1/32nd of an inch), you pay only an adjustment charge for the total tread wear received plus an amount equal to the full current Federal Excise Tax and any mounting charge.

The percentage of tread depth is the percentage of the "Predetermined Price For Adjustment" that you will pay. The "Predetermined Price for Adjustment", available at all Goodyear Service Stores and participating dealers fairly represents the actual regular retail selling price of the comparable new tire at the time of adjustment.

A tire has delivered its full original tread life when worn down to the tread wear indicators 2/32nds of an inch) molded into the tire, regardless of age or mileage.

ADJUSTMENT POLICY LIMITATIONS

This Limited Warranty is applicable only in the United States and Canada.

Not Covered By This Adjustment Policy:

- Failure or loss due to road hazard damage, accident, fire, chain damage, theft, misuse, or negligence.
- Custom Mini-Space spare tires used on vehicles used in racing, and passenger cars in special applications such as police pursuit service.
- LOSS OF TIME, INCONVENIENCE, LOSS OF USE OF THE VEHICLE OR OTHER CONSEQUENTIAL DAMAGE.
- Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you.

OWNER'S OBLIGATIONS

- a. You must present the unserviceable tire to a Goodyear Service Store or participating Goodyear dealer. (Please consult a telephone directory for locations).
- b. You must pay for taxes or any additional services you order at time of adjustment.
- c. No claim will be recognized unless submitted on a Goodyear claim form (supplied by Goodyear dealer or store) duly filled out and signed by you.

LEGAL RIGHTS

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.
