Search

year built	model year	type	style	coachbuilder	begin	end
1964	1965	C	coupe	Karmann	219070	221482

This vehicle would have come with an engine from the following types and number ranges:

internal name	common name	first number	last number
587/1	Carrera 2/2000 GS	97417	97446
616/16	1600 SC	821181	821701
616/16	1600 SC	812508	813562
616/15	1600 C	732272	733027
616/15	1600 C	714422	716804

Note: Ignore the first digit if it is a "5". Example: if a serial number above is 5085001, it should be read as 085001. One exception: 1300S engines had a serial number between 50001 and 50999 - in this case, do not ignore the first 5!
