Because of the unusual stress placed on high performance and racing parts, and our lack of control of the installation process, there is no warrantee expressed or implied. We will do our best to accommodate problems in any way possible, however, we do not replace broken parts at no charge, especially those made by other manufacturers. Customers are advised to present all such claims directly to the manufacturer. INTEREST CHARGES of 1.5% begin 30 days after receipt of invoice.

Because of the unusual stress placed on high performance and racing parts, and our lack of control of the installation process, there is no warrantee expressed or implied. We will do our best to accommodate problems in any way possible, however, we do not replace broken parts at no charge, especially those made by other manufacturers. Customers are advised to present all such claims directly to the manufacturer. INTEREST CHARGES of 1.5% begin 30 days after receipt of invoice.
