**ODOMETER MILEAGE STATEMENT**

*(Federal regulations require you to state the odometer mileage upon transfer of ownership. An inaccurate or untruthful statement may make you liable for damages to your transferee, for attorney fees, and for civil or criminal penalties, pursuant to sections 409, 412, and 413 of the Motor Vehicle Information and Cost Savings Act of 1972 (Pub. L. 92-513, as amended by Pub. L. 94-364).*

I, Hall's Toyota Inc. state that the odometer

### SYM-TECH LIMITED WARRANTY

Protective Chemicals, Division of American Industrial Community, Inc. (the "Company") guarantees the effectiveness of Sym-Tech Rust Inhibitor material for 3 years from date of application or 50,000 miles, whichever occurs first, to the original owner provided the material has been properly applied to the vehicle by an authorized Sym-Tech dealer prior to delivery or within its first 3,000 miles of operation.

This Warranty is made only to the first registered owner and is not assignable or transferable.

The Company hereby agrees that if any painted surface, the opposite side of which has been treated with Sym-Tech Rust Inhibitor material in accordance with prescribed application procedures, should rust through from the inside out, and each of the conditions set forth in this Warranty have been met, the Company will at its option reimburse the customer for the reasonable cost of repairing the said rusted surfaces or refund the full purchase price paid for the Sym-Tech Rust Inhibitor material and its application, whichever is lower. In no event will the Company be liable for any refund or repair cost in excess of the original price paid by the owner for the application of Sym-Tech Rust Inhibitor material. The obligations of the Company contained in this Warranty shall be limited to one payment or one repair adjustment of any vehicle subject hereto.

Should rust occur, it is a condition of this Warranty that the vehicle owner notify his Sym-Tech dealer or the Company within 30 days after rust shall first appear and arrange for an inspection. The vehicle must be returned to the selling Dealer for inspection before any refund or repair will be authorized. The Company reserves the right to inspect the vehicle prior to any adjustment being made by the dealer.

This Warranty does not extend to nor does it cover vehicle manufacturer or engineering faults; mechanical parts; tailpipes; mufflers; exhaust systems; gas tanks; engine; bumpers and grills; chrome or other metal-plated trim; or the area above the lower windowline, including the roof. Furthermore, it does not apply to external rust or corrosion such as that caused by but not limited to scratches, stone chips, paint blisters or damage resulting from collision. This Warranty does not apply to corrosion resulting from neglect or abuse. Reasonable care of the vehicle including regular washing and periodic polishing is essential.

In the event the vehicle manufacturer and/or dealer compromises or adjusts a rust claim, this Warranty is null and void.

This Warranty does not apply to those areas which may be covered under regular or extended policy adjustments which may be offered by the vehicle manufacturer.

All implied warranties are limited to the duration of this Warranty, and the remedies contained herein are the sole and exclusive remedies. The Company will not be responsible for any incidental or consequential damages, other than those specifically assumed hereunder.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you. This Warranty gives you specific legal rights and you may also have other rights which vary from state to state.

To validate this Warranty, the attached registration certificate must be mailed to the Company within 30 days.

Presentation of this Warranty is required in order to obtain performance hereunder.
