Attached are some additional records for work on the 964. There are a bunch of other small things that I'm sure I didn't record but this gives you some additional info.
Also, I do oil/filter changes annually in the spring which is probability overkill with fully synthetic oil. That said, I did not do it yet this spring so I'd suggest having it done.
Cheers,
Aidan

Georgia Vehicle Emissions Inspection Report

The Georgia Emission Test Program is helping to clean up Metro Atlanta's air - and you are doing your part. Motor vehicles are driven over 128 million miles each day in Atlanta and are responsible for half of the pollutants in Metro Atlanta's air. Keeping your vehicle tuned up and in good running condition is the most important thing you can do to keep our air clean and protect the health of all our citizens.

Overall Test Result: PASS **CERTIFICATE NUMBER: JE034887**

Keep a copy for your records.

Test Date/Time: 06/19/2015 @ 13:57 **Test Type: Initial** **Test Fee: $25.00**
