**HOW TO ORDER YOUR U.S. EXPORT MODEL JAPANESE CAR**  
 (Military PCS Shipment to CONUS)

**ORDERING PROCEDURE**

1. A 10% deposit is all that is required to reserve a car in stock or one due in. Cars are stocked at a Western Pacific port and not in Japan.
2. Give us as many color choices as you will accept; the more color choices you give, the more likelihood that your order will be filled promptly.
3. Upon receipt of your order and deposit, we will telex or telephone and reserve your car; then send you a formal Vehicle Buyer's Order for your signature.
4. Cars are usually taken from monthly shipments. If you can afford to wait for a particular car or color, we can also reserve a due-in car for you.
5. If the car you order or an acceptable alternative is not in stock, or due in by the date you specify in your order, we will immediately return your payment to you.
6. If you hold PCS orders authorizing POV shipment and have not used that entitlement, JTR regulations permit military shipment to your present overseas duty station, provided you have at least 12 months remaining on a 3-year tour or 6 months on a 1-year tour at the time your car is handed over for shipment from WestPac. Regardless of your current overseas location, shipment can also be made from WestPac to the U. S. on the strength of PCS orders with POV entitlement.
7. The following documents (1 copy ea.) must accompany your balance (or full) payment:
  - A. PCS Orders
  - B. Special Power of Attorney (See Sample No. 1, overleaf) (Make out to the specified distributor)
  - C. Letter addressed to "CO, HSP" and signed by you. (See Sample No. 2, overleaf)
  - D. If the car is being financed, a notarized copy of the Security Agreement/Promissory Note. Without this, a lien cannot be registered against the vehicle. (Needed by NVCU members only if their drafts bear a stamp requiring registration of a lien).

**PAYMENT**

1. Personal check is acceptable for down payment. Balance (or full) payment by certified check is recommended; if payment is made by personal check, your car cannot be shipped until check has cleared. Make all checks payable to specified distributor. (Distributors' names overleaf)
2. Certain credit union checks require endorsement on face; these must also be endorsed on reverse.

**FINANCING**

1. Financing can be arranged by you with a bank or credit union of your choice; two of the largest of the latter are:  
 Pentagon Federal Credit Union, Box 310, Main Station, Arlington, VA 22209 (for Army, Air Force or Civilian employees of D.O.D.) and Navy Federal Credit Union, Main Navy Building, Washington, D.C. 20380 (for Navy and Marine Corps personnel).
2. Some lending institutions require that application for a car loan be accompanied by a formal Vehicle Buyer's Order. This we can furnish upon request.

**WARRANTY**

All of our vehicles are covered by warranties identical to those issued by Stateside dealers. Any dealer in the U. S. will honor those of the make he sells.

**FEDERAL MOTOR VEHICLE STANDARDS**

All vehicles we sell are U.S. export models and meet all Federal Motor Vehicle Safety Standards.

**CALIFORNIA POLLUTION REQUIREMENTS**

1. Our vehicles meet pollution requirements of all states except California.
2. Non-residents of California who are assigned there for duty are not required to alter their vehicles to conform to California pollution requirements; neither are those who take delivery at Long Beach or Oakland, then proceed to another state.
3. Residents of California are urged to consider a Honda, whose CVCC engine requires little or no modification to meet California requirements; other makes can be brought into conformity by the addition of bolt-on parts; cost ranges from \$150 up.

**IMPORT DUTY**

U.S. import duty is collectable at the rate of 2.0% for cars and 25% for trucks, at the U.S. port of entry.

**DELIVERY TIME**

We are informed by the Personal Property Office, Naval Supply Depot, that after cars are turned in to them for shipment, average delivery time to the West Coast is 45 - 60 days, East Coast and New Orleans is 60 - 90 days.

**DOCUMENTS**

After your car has been turned into the Navy for shipment, you will receive the Certificate of Ownership, Motor Vehicle Registration and the Private Vehicle Shipping Document (DD Form 788)
