Dear Dr. Hens,

Just like you, your Porsche is an original, offering an unparalleled driving experience. You belong together, linked by distinction, admired by many.

Since the inception, the objective of the Porsche engineers was clear: to create a sports car without compromise, one to enjoy the open road without impediment, a car that makes the spirit of the racetrack almost tangible. This philosophy has been designed into every Porsche we build. Every trip is an unforgettable pleasure of pure driving exhilaration, one of precise handling, direct response and unmatched performance. The Porsche heritage is born from racing wins, legendary technology and world-class quality.

We are pleased to present you with a Certificate of Authenticity for your Porsche. This unique document includes your vehicle's original factory-installed options, production completion date and manufacturer's suggested retail price (MSRP), if available. This can prove to be an essential tool for restoration, resale and for display of your Porsche at official Porsche events.

Please carefully examine your Certificate. If you have any questions concerning your Certificate, please call 1-800-PORSCHE option 5 or, if you prefer, send an email to [coa@porsche cars.com](mailto:coa@porsche cars.com).

Wishing you a lifetime of rewarding journeys,
