VEHICLE INSPECTION REPORT

THIS REPORT IS REQUIRED IN ORDER TO RECEIVE A FREE RETEST. IF LOST OR STOLEN IT CAN NOT BE REPLACED.

Thank you for helping to clean our air. Your vehicle's test results are shown below. Pursuant to Sec. 14-164c of the Connecticut General Statutes, your vehicle was inspected for exhaust emissions. If the result is PASS, the new sticker on the vehicle's windshield shows the last day you may come in for your next test. Note that you can come in up to 90 days in advance of that due date. If the result is FAIL, the law allows 30 days to accomplish repairs and to return (with the reverse side of this form completed) for one free retest. After 30 days, your retest will cost \$10. **As of October 1, 1990, Connecticut General Statutes require motorists more than 30 calendar days overdue for their vehicle's test to pay an additional \$10 late fee. In these cases, total test cost will be \$20.**

PLEASE KEEP THIS REPORT IN THE VEHICLE AT ALL TIMES.

Hydrocarbons (HC) are unburnt gasoline and cause smog. Carbon monoxide (CO) is a colorless, odorless, toxic gas. High HC or CO readings indicate an engine malfunction which contributes to poor gas mileage and shorter engine life.
