|----------|---|----------|-----------|
| 15       | License plate: NONE Mileage: 9,125<br>Labor<br>Notes: Vehicle towed in not running. Found very contaminated fuel. Flushed fuel out and refilled with cleaner. Found failed fuel pump. Removed tank assembly and cleaned out. Replaced fuel pump assembly. Replaced fuel filter. Installed tank. Vehicle is now getting fuel but not running properly. Checked ignition and found fouled spark plugs. Replaced spark plugs and ignition wire set. Vehicle is starting and running properly now. Vehicle started leaking coolant after getting to operating temperature. Found rear thermostat housing and hose leaking coolant. Replaced hose and gaskets. Refilled coolant. Vehicle is not running and cooling properly. Performed inspection. Vehicle is in good operating condition at this time. | 105.00   | 1,575.00T |
