1. Reason for the guide

This Quick Guide describes the different steps to use the SpTH tool simply and how to obtain the QR Code necessary so that you can show it at the health control when you arrive in Spain.

This guide aims to be a basic document where any traveller can answer the questions they have in a simple and visual way when filling in the Health Control Form. The guide also provides recommendations for passengers to consider based on user experience so far.

There are two ways to access the SpTH:

Website option: via www.spth.gob.es

Mobile application: download from Google Play or the App Store

SpTH aims to provide a more efficient health control service for all people travelling to Spain.

2. Before travelling to Spain. Information to consider.

This section of the guide provides links for passengers with key information to consider before getting the QR code to travel to Spain.

3. Quick guide to the use of SpTH

LEGAL INFORMATION

Each passenger must fill in a form associated with each trip that is personal and non-transferable. Make sure you fill out this form and sign it before flying to Spain. Remember that, after signing the FCS form, you will receive a QR Code associated with your trip, which you must carry with you on your mobile phone or printed on paper to pass the airport sanitary control.

Likewise, when passing through the airport control, it can be subjected to temperature control by means of non-contact thermometers or thermographic cameras. These tests will be carried out guaranteeing the privacy of the passenger and the data obtained will not be stored.

Who is the data controller for your data?

The data controller for "SpTH Spain Travel Health" (<https://www.spth.gob.es/>) is the Ministry of Health of Spain.

What is the purpose for which your data is processed?

Epidemiological surveillance and health monitoring for the pandemic caused by COVID-19. To guarantee the provision of ordinary or extraordinary services required for health control on entry of passengers from any country. Statistical uses and health research.

What is the applicable basis for legitimacy?

The main legal basis that legitimises the processing by "SpTH Spain Travel Health" is art. 6.1.e) of the General Data Protection Regulation (GDPR): "The processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the data controller".

To which recipients is your data communicated?

Health Areas and Departments of the Delegations and Sub-delegations of the Spanish Government, Health Authorities of the Autonomous Communities, as well as other health bodies or administrations and health authorities of other countries.

What are your rights when you provide us with your data?

You may exercise, among others, the rights of: access, cancellation, suppression, limitation, rectification, portability and right to be forgotten insofar as the legal obligations allow it.

Where does the data we process about you come from?

Through this Website, your personal data may be collected directly from you (by filling in the SPTH form, for example) or indirectly (through cookies).

What cookies are collected?

Technical cookies are collected, which are necessary for browsing, based on the legitimate interest of the data controller (art 6. 1.f of the GDPR). An Hcaptcha component is used, to provide security (to confirm that the access to the website is made by a person and not a robot). The cookie does not share personal data. WAF technology (capture of the IP source) is also used to prevent cyber-attacks.

For more information on the processing of personal data, please click [here](#).

The signing of this form carries the responsibility on the veracity of the information, the acceptance of the legal conditions, of data processing and compliance with health regulations indicated at any time by the authorities.

If you are a minor, or a dependent, the form must be signed by your legal guardian.

SpTH

Hello,

You have requested the creation of a health control form (FCS) for your next trip to Spain on the SpTH portal.

THE FCS FORM CODE FOR YOUR TRIP IS **386632**

To complete the health control form, you can do it in two ways.

1.- Directly accessing this URL: spth.gob.es/recover/a0317cf2-8ac3-4d50-9938-749dc125572c

Form identifier **a0317cf2-8ac3-4d50-9938-749dc125572c**

2.- Accessing the portal spth.gob.es, clicking on the button "Continue Individual Form" and then enter the Passport number, DNI, NIE or Personal ID number with which you made the request and including the code: **386632**

Remember that you can start your form whenever you want, but you can only complete the health and travel history questions and accept it in the last 2 days before your arrival in Spain.

If you travel to Spain from any country, it is necessary to complete this form, and have the QR code associated with your trip. You must present this document at the sanitary control of the destination airport. Each passenger must have their own form and QR code for each trip they make to Spain.

REMEMBER: You should NOT travel if you have symptoms compatible with COVID-19: fever, cough, breathing difficulties, that have started in the last 14 days or you have been diagnosed with COVID-19 in the last 14 days.

You have received this email because you have requested the creation of a health form to travel to Spain with the SpTH application or through the website. If you are not the recipient, please ignore it.

To continue with a Family/Group FCS Form, follow the same steps as for an individual form. See details at: [2.3.1 Continue with individual form.](#)

1. Go to Continue with Family/Group FCS Form

3. 3 Signed Forms.

3.3.1 Retrieve QR Code

The screenshot shows the SpTH Spain Travel Health portal. At the top, there is a header with the Spanish flag, the text 'GOBIERNO DE ESPAÑA' and 'MINISTERIO DE SANIDAD', the 'SpTH Spain Travel Health' logo, and a language selector set to 'Español'. Below the header, a welcome message states: 'Welcome to the Spain Travel Health portal! To protect your health, the Government of Spain has implemented a series of measures to protect the general public's health, including health control of passengers upon arrival in Spain. From this website you can fill out the health control form and obtain your QR Code, to show it at the control points upon arrival in Spain. Your health is the priority.' To the right, there are links to download the app from Google Play and the App Store. Below this, there are two yellow buttons: 'Are you traveling to Spain? Find out more about the new health control process' and 'Information on entry health requirements (vaccinations, diagnostic tests, proof of COVID-19 recovery)'. The main content area is divided into two sections: 'New Form' and 'Continue with previously created FCS form'. Under 'New Form', there are two blue buttons: 'Individual FCS Form' and 'Family/Group FCS Form'. Under 'Continue with previously created FCS form', there are two blue buttons: 'Continue Individual FCS Form' and 'Continue Family/Group FCS Form'. Below these, there is a yellow button labeled 'Difficulties filling out your electronic form?'. At the bottom, there is a section titled 'Signed Forms' with two blue buttons: 'Retrieve QR' (marked with a yellow circle 1) and 'Modify QR Code'.

1. Go to **Retrieve QR Code**
2. Enter the initial email address used to start the Form and your passport number, ID number or personal identification number.
3. Accept the reCAPTCHA.
4. Click on **Continue**.

Check your email as the QR Code will be sent again.

! A QR code can only be retrieved if it has been successfully generated by pressing the "Finish" button. If you cannot retrieve a QR code, you may not have finished it, in which case it can be finished using the Continue with form option on the home page.

The screenshot shows the QR Code retrieval form. It has four numbered steps: 1. 'Form identifier *' with a text input field. 2. 'Passport number, National Id (DNI)/Foreign Residency (NIE) or personal identifier *' with a text input field. 3. 'Security Code *' with a text input field. 4. A reCAPTCHA challenge with a checkbox labeled 'I am human' and a reCAPTCHA logo. Below the reCAPTCHA is a blue 'Continue' button. To the right of the form, there is a block of text: 'You will have received an email from the address spaintravelhealth-no-reply@spth.gob.es, subject: Spain Travel Health: Form registration. In this email we have sent you the form code, and a link that provides direct access to the form. 3.3.2 Amend QR Code

The screenshot shows the SpTH website home page. At the top, there is a header with the Spanish flag, the text 'GOBIERNO DE ESPAÑA' and 'MINISTERIO DE SANIDAD', the 'SpTH Spain Travel Health' logo, and a language selector set to 'Español'. Below the header, a large blue banner contains a welcome message and a QR code. To the right of the banner, there are buttons to 'Download the app, available at: Google play' and 'Download on the App Store'. Below the banner, there are two yellow boxes: 'Are you traveling to Spain? Find out more about the new health control process' and 'Information on entry health requirements (vaccinations, diagnostic tests, proof of COVID-19 recovery)'. The main content area is divided into three sections: 'New Form' with buttons for 'Individual FCS Form' and 'Family/Group FCS Form'; 'Continue with previously created FCS form' with buttons for 'Continue Individual FCS Form' and 'Continue Family/Group FCS Form'; and 'Signed Forms' with buttons for 'Retrieve QR' and 'Modify QR Code'. A yellow box with the text 'Difficulties filling out your electronic form?' is also present.

The screenshot shows the 'Amend QR Code' form. It has a yellow background. At the top, there is a yellow box with the text 'Difficulties filling out your electronic form?'. Below this, there is a section titled 'Signed Forms' with two buttons: 'Retrieve QR' and 'Modify QR Code'. A yellow circle with the number '1' is next to the 'Modify QR Code' button. Below the buttons, there is a section titled 'Form identifier *' with a text input field. To the right of the input field, there is a small text box that says: 'You will have received an email from the address spaintravelhealth-no-reply@spth.gob.es, subject: Spain Travel Health: Form registration. In this email we have sent you the form code, and a link that provides direct access to the form.' Below the input field, there is a section titled 'Passport number, National Id (DNI)/Foreign Residency (NIE) or personal identifier *' with a text input field. To the right of the input field, there is a small text box that says: 'Your personal data will be treated in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, regarding the protection of natural persons with regard to the treatment of their personal data and the free circulation of these data and Organic Law 3/2018, of December 5, on Protection of Personal Data and Guarantee of Digital Rights and other related regulations.' Below the input field, there is a section titled 'Security Code *' with a text input field. To the right of the input field, there is a small text box that says: 'The data controller will be the Ministry of Health (and other health authorities). For more information data handling.' Below the input field, there is a section titled 'I am human' with a checkbox and a reCAPTCHA logo. Below the checkbox, there is a blue button labeled 'Continue'. A yellow circle with the number '2' is next to the 'Form identifier *' label, a yellow circle with the number '3' is next to the 'I am human' checkbox, and a yellow circle with the number '4' is next to the 'Continue' button.

1. Go to Amend QR Code.

Check your email, the original email should contain the necessary information to access the amendment.

- To amend your QR code, enter the form identifier that you received by email from **spaintravelhealth-no-reply@spth.gob.es** or use your personal identification number. In both cases, you will need the security/form code.

If you cannot find the security code, you can retrieve it under amend QR code by clicking on: **retrieve security code**, (phrase in blue below the security code field). For more details see section [3.3.3 Retrieve Form/Security Code](#).

This option also allows you to amend a QR code generated by the app.

- Accept the reCAPTCHA.
- Click **Continue**.

! Once the QR code is amended, you will receive an email with the new QR code and the old one will be cancelled and not valid for travel.

To amend a Family/Group form, you must enter through Amend QR Code and by filling in the identifier and form/security code of the group leader.
