Thank you for buying insurance from Allianz Travel.

Your cover

Your insurance confirmation shows the cover you have chosen, the area of cover, the people who are covered and any special terms or conditions that may apply. Please check it carefully.

After you have paid the insurance premium, the insurance is valid during the period of insurance in accordance to these terms and conditions, up to the maximum stated amount in the "Summary of cover". Your claim will be processed by the claims handler.

Your insurance will only cover the parts of your trip booked through TUI and for which you have simultaneously taken out the insurance to cover.

Note

Your policy does not cover everything. You should read this policy carefully to make sure it provides the cover you need.

Certain words have a special meaning. The full meanings of these words are explained in the "Glossary" at the end of this policy.

Your duty

You must take all reasonable steps to protect yourself and your property and act as if you are not insured. You must take all reasonable steps to minimise any potential claim.

If there is anything you do not understand, or if you want any help, please call Falck Global Assistance on **+358 20 1550810** or email **support@falck.fi**

False declaration and non-disclosure

You must provide complete and accurate information during the application process and when making a claim. We may not provide assistance or pay a claim if you intentionally or carelessly provide us with incorrect information when taking out the insurance policy or when making a claim. This includes failure to cooperate in the settlement of the claim or failing to pass on important information or changes.

Transfer of your rights

If we pay your claim, we become the beneficiary of any claims that you have against anyone else liable for the same costs.

If your actions mean that we are no longer able to pursue another party who is liable for the same costs, we have the right to refuse all or part of your claim with us. If we have paid your claim, we have the right to request you repay us all payments we have made.

Cancellation rights

If your cover does not meet your requirements, please notify TUI within 14 days of paying your premium and receiving your insurance confirmation.

Your premium will be refunded unless you are less than 2 weeks before your departure date, you have made a claim, or intend to make a claim, in which case no refund will be due.

If the period of insurance is 1 month or less, your cancellation rights are no longer valid after this initial 14 day period.

If the period of insurance is more than 1 month you will still be able to terminate the insurance until the coverage expires. You will only receive a refund of the premium you have paid for the remaining days.

Governing law

Unless agreed otherwise, Finnish law will apply and all communication in relation to this policy will be in Finnish or English. In the event of a dispute concerning this policy, the Finnish courts shall have exclusive jurisdiction.

Summary of cover

The following table shows the maximum amount we will pay for each section of cover. You should read the rest of this policy booklet for the full terms and conditions and exclusions.

| Section of cover | | Maximum amount we will pay |
|------------------|--------------|----------------------------|
| 1 | Cancellation | EUR 6 000 |

Note

The maximum amount we will pay applies to each insured person.

Health exclusions

It is very important that you read the following:

- 1 You will be covered if, at the time of booking your trip and buying your insurance, you are fit to travel and able to undertake your planned trip.
- 2 You will not be covered if you:
 - a) book your trip against the advice of a doctor or where you would have been if you had sought their advice before booking your trip;
 - b) had any undiagnosed symptoms for which you were awaiting investigations or consultations or the results of investigations and where the underlying cause had not been established.

If we are unable to cover a medical condition, this will mean that you and any other person insured by us will not be covered for any claims arising from the medical condition.

Each person insured by us would still be covered for any unrelated medical condition that arise after you bought your policy, subject to the terms and conditions of this policy.

General exclusions

These exclusions apply to the whole of your policy.

- 1 We will not pay any claim directly or indirectly caused by the following:
 - a You not answering accurately any question(s) we have asked you at the time of buying this policy, where your answer(s) may have affected our decision to provide you with this policy.

 - d You making a fraudulent claim. We may in these instances report the matter to the police.

If you have more than one insurance that covers you for the same loss, you should only submit the claim to one company and provide details of any other insurance to that company. They will then contact anyone else who would have insured the event for a contribution towards the costs.
- 3 We will not pay any claim for losses that are not directly covered by the terms of this policy (for example, the cost of obtaining a medical/death certificate in support of your claim; loss of earnings due to you not being able to work following an illness or injury).
