

ARTICLE 1: GENERAL PROVISIONS

These General Rental Terms and Conditions shall govern all rentals granted by LAC SAS, hereafter referred to as the Lessor, in the territory of Martinique to its customers. The Customer acknowledges that it fully and unreservedly accepts application of said General Rental Terms and Conditions.

During rental, the Customer shall have custody of and be responsible for the vehicle. The Customer shall be in a position to provide all documents required to complete his or her contract, such as name and address, date of issue of his or her driving licence and credit card number.

This licence shall always be shown whenever a vehicle is rented. The Customer or any driver designated in the contract shall be older than 21 years of age and have held a valid driving licence for more than one year. If the driver is younger than 25 years old, a surcharge shall be applied. Please note that the rental of certain categories of vehicles requires particular payment instruments and is subject to minimum age conditions.

ARTICLE 2: PICKUP AND RETURN OF VEHICLE

The vehicle shall be made available to the Customer at one of the Lessor's rental offices. It shall be returned to the Lessor's personnel at the location, date and time stipulated in the contract, and during rental office business hours. In the event that the Customer is authorised to return the vehicle elsewhere than at one of the Lessor's rental offices, the Customer shall remain responsible for the vehicle until it has been turned over to the Lessor.

The Customer shall not be authorised to deliver the vehicle elsewhere than at the rental office provided for in his or her contract. If the Customer returns the vehicle at a location neither provided for nor authorised by the Lessor in his or her contract, said Customer shall incur a fixed penalty of 100 € for abandoning the vehicle, as well as a sum to cover the cost of recovering the vehicle, whose amount shall depend upon the place, time and day of recovery.

Whenever a vehicle is returned outside the business hours and after the closing time displayed at the rental offices, particularly due to delayed flights, the Customer shall be charged an additional "off business hours" pickup or return fee of 35 € including VAT when the contract is drawn up and/or closed.

ARTICLE 3: CONDITION OF VEHICLE

A description of the vehicle is attached to the Customer's contract. Only an employee of the Lessor shall be authorised to fill out the form describing the initial condition of the rented vehicle. If this is not done, the Lessor shall be deemed to have provided a vehicle in accordance with the description. The Lessor may therefore decide not to take account of claims with regard to patent damage not pointed out at the moment of departure. The Customer shall take the vehicle in the condition in which he or she has received it. All repair costs occasioned by the Customer's fault or in the absence of a fault on the part of an identified third party, shall be added to the cost of the rental, subject to the provisions in the section "Insurance and Additional Damage Waivers". The Lessor agrees to provide a vehicle from a particular category, not a particular model or make.

Vehicles shall be returned in the same state of cleanliness as when it was picked up. If a vehicle is excessively dirty on return (animal hair, sand, mud, stained seats, markings, etc.), the Customer shall be billed for any necessary cleaning and repair in accordance with the scale of the relevant experts.

The vehicle is provided with tyres whose condition and number reflect traffic regulations. The Customer shall pay for any damage to or theft of tyres, hubcaps, dowels, tyre accessories, flat tyres and fuel.

In the event that the keys are lost and/or damaged (humidity, damage after having been dropped, etc.), towing costs, a copy of the key and resetting the anti-theft device shall be paid by the Customer, regardless of his or her insurance package.

ARTICLE 4: INSURANCE EXCLUSIONS

At the risk of insurance exclusion, the renter agrees to ensure that the vehicle is not used:

- by other persons than himself or herself or those approved by the Lessor, for whom he or she shall be answerable pursuant to Article 1384 of the Civil Code.
- by a driver under the influence of alcohol or substances that modify the reflexes necessary for driving,
- to push, pull or tow any other vehicle,
- in competitions,
- for rental to other parties,
- to transport passengers for a financial consideration,
- to transport more passengers than authorised or to load a weight exceeding the carrying capacity of said vehicle,
- to give driving lessons,
- to transport dangerous goods (inflammables or explosives) or goods emitting bad smells,
- to be transported on board a ship, ferry, etc.

Moreover, the Customer may in no event assign, sell, mortgage or pledge this contract, the vehicle, its equipment or tool kit, nor handle or treat them in any way that could harm the Lessor.

The Customer shall be subject to all legislative, regulatory and customs obligations and all other laws on the transportation of goods in the vehicle supplied by the Lessor, whether public or private transportation, depending upon the Customer's use of the vehicle. The Customer shall remain responsible during the entire period in which the vehicle is put at his or her disposal.

The Customer shall have sole responsibility for all declarations and the payment of all duties and taxes imposed on goods traffic (customs, excise, administration, etc.)

ARTICLE 5: RENTAL

In the case of reservation through the Lessor's website, the General Rental Terms and Conditions on the website shall apply to the Customer and the security deposit made with the Customer's credit card shall be an essential condition for delivery of the vehicle. If the amount of the security deposit is not available, the Lessor may refuse to deliver the vehicle to the Customer and terminate the rental contract.

A proof of residence of less than three months old (EDF - GDF electricity or gas bill, telephone bill or Carte Vitale health insurance certificate) is required for any rental. The Lessor reserves the right to refuse to rent and deliver the vehicle to the Customer if said Customer cannot present a document proving his or her residence.

5.1. Security deposit: On pickup of the vehicle, the Customer shall be required to provide a security deposit with his or her credit card (CB, Visa, Eurocard). This credit card shall display the family name and first name of the Customer and comply with the provisions in Article 13 hereof.

5.2. Prepayment - Extension: The Lessor shall require payment of the estimated amount of the rental prior to departure of the vehicle, under the conditions stipulated by the Lessor, which may provide for payment in several instalments. The initial prepayment may in no event be used to extend rental. The price of the rental and the amount of the prepayment are mentioned in the current pricelist. In the event that the Customer wants to keep his or her vehicle longer than initially agreed, he or she shall first obtain the Lessor's permission, visit one of the Lessor's rental offices and pay promptly, based upon the list price, the amount of the ongoing rental. The Customer may be sued if he or she fails to do so.

5.3. Payment: The Customer agrees to pay the Lessor, after the rental is terminated and the complete vehicle has been returned (including equipment, accessories, administrative papers and keys):

- All sums due for the rental period, kilometres driven and the amount of additional insurance covers and other optional services taken by the Customer;
- The additional amount for recovering the vehicle if left at another location not approved beforehand by the Lessor.
- All direct or indirect taxes and levies due on the sums, premiums, costs and compensations provided for in this Article.
- All sums owed for traffic and parking violations under the applicable legislation during the period of this contract.

In the case of prepayment by the Customer, the amount of the outstanding balance of the invoice, if any, shall be debited immediately from the account corresponding to the credit card presented unless the Customer offers another payment instrument accepted by the Lessor. The Customer herewith accepts that the non-waivable excess and all other costs connected with the vehicle, its rental or use (fuel, repairs, traffic violations, etc.) be debited from this same account.

In the event that a promotional rate is applied, non-compliance with the rental period agreed when the vehicle is picked up shall always entail application of the list price in force at the time. However, the amount of the minimum excess in force and towing costs shall be paid by the Renter even when said Renter has taken out additional excess insurance.

ARTICLE 6: RESPONSIBILITY OF BANK CARD HOLDER OR ISSUER OF A TRAVEL VOUCHER OR ORDER FORM

When rental is granted on presentation of a bank card, a travel voucher or an order form, the Lessor shall invoice the issuer of the travel voucher or the order form, who shall be responsible under the contractual provisions:

- for the use of the rented vehicle,
- payment of the rental and all related expenses,
- and who shall remain responsible for any extension of the rental or disappearance of the vehicle.

ARTICLE 7: RESERVATION GUARANTEE

The reservation is guaranteed up to 1 hour after the arrival time recorded in the file. Beyond this, the reserved category may not be honored. In the event of an upgrade, the Tenant will then be liable for the price difference with the reserved category. No compensation will be granted in the event of downgrading.

For the arrangements made available at the Airport, in the event of a plane delay, the reservation will be maintained 1 hour after the actual arrival time if the flight number has been clearly specified when validating the file.

ARTICLE 8: CANCELLATION OF RESERVATION BY CUSTOMER

The Customer may cancel his or her reservation under the following conditions:

- In the case of cancellation at least 30 days before the scheduled starting date of the rental, the Customer shall be repaid the amount of his or her rental, less cancellation costs of €50;
- In the case of cancellation from 20 to 29 days before the scheduled starting date of the rental, the Customer shall be repaid the amount of his or her rental, less cancellation costs corresponding to 20% of the total amount of the reservation, and in any event not less than €50;
- In the case of cancellation from 7 to 19 days before the scheduled starting date of the rental, the Customer shall be repaid the amount of his or her rental, less cancellation costs corresponding to 50% of the total amount of the reservation, and in any event not less than €50;

The Lessor shall not make any repayment for cancellation less than 7 days before the scheduled starting date of the rental, or if the Customer does not rent the vehicle on the reservation date.

We inform our Customers that the validity of the security deposit required when renting a vehicle cannot legally exceed 30 days.

We thank you to note that for any request for rental of a duration greater than this period, a new contract must be established in the presence of the Customer, and a new security deposit must be made.

ARTICLE 9: EARLY RETURN

In case of early return of the vehicle, the rental amount will be recalculated according to the number of days actually used and the options subscribed.

The reimbursement will be calculated on the basis of the difference between the amount paid by the Tenant at the start of the rental and the amount of the actual rental. A penalty of 30% will be retained on the difference.

The reimbursement will be made by check within 30 days after the return of the vehicle.

For all prepaid rentals, this clause does not apply. If the vehicle is returned before the scheduled end of rental date, unused days will not be reimbursed. The Tenant must then refer to the special conditions of sale linked to the service purchased.

ARTICLE 10: INSURANCE AND ADDITIONAL DAMAGE WAIVERS

All our vehicles are covered by an insurance policy as follows:

- "third party liability", in accordance with the regulations in force, as well as the following optional additional protection:
- CDW (partial redemption of deductible in the event of damage to the rented vehicle),
- THW (partial redemption of deductible in the event of the complete theft of the rented vehicle),
- PAI (protection of driver and transported persons),

A notice is available to the Customer at the Rental Agency and on our website.

As such, the Customer undertakes in particular to:

- declare to the Lessor within two working days (excluding public holidays) from the discovery of the accident any accident, damage or fire and immediately alert the police authorities for any theft or personal injury. This claim declaration period is also 2 working days in the event of theft of the vehicle.
- mention in the claim particularly the circumstances, the names and address of any witnesses, the name and address of the insurance company of the opposing party, as well as the policy number.
- attach to this declaration all police, gendarmerie reports, receipt for a complaint, etc.
- under no circumstances discuss liability or deal with or compromise with third parties in relation to the accident.
- do not abandon the said vehicle without taking care to ensure its safety and security.

Material damage and / or theft of the vehicle remains the responsibility of the Renter up to a deductible, the amount of which varies with the category of the vehicle.

If the Renter accepts these additional covers at the current rates, the non-waivable excess shall apply in the case of a claim. If the renter declines these covers, the total excess currently in force shall apply in the case of a claim.

However, even if the Customer has agreed to pay one or more additional covers to lower excess, he or she shall remain fully liable for all damage to the upper parts of the coachwork due to collision with a fixed or mobile body (bridge, tunnel, porch, tree branch, other overhanging objects, etc.).

The same shall apply to damage to coachwork and the mechanical parts underneath the vehicle (front-wheel axle unit, oil sump, rocker panel etc.) The Customer shall have full financial liability for all damage to the vehicle caused by uses for which the vehicle was not designed or by off-road use, even if the Customer has accepted the additional cover to lower excess. The Customer shall also remain fully liable for all damage caused by water (rain, sea, etc.) due to the Customer's negligence (dangerous crossing of flooded areas, parking at an open location, parking at a location with flood risk) and any theft of or damage to accessories and broken glass.

In the event that the keys are lost and/or damaged (humidity, damage after having been dropped, etc.), towing costs, a copy of the key and resetting the anti-theft device shall be paid by the Customer, regardless of his or her insurance package.

If the amount of the damage to the vehicle is less than the non-waivable excess, the Lessor shall repay the Customer the difference between these amounts. The amount of damage shall be the financial value of the loss suffered by the Lessor due to the damage to, destruction of or theft of the vehicle rented by the Customer. Consequently, any sum claimed by the Lessor for damage to the rented Vehicle, as estimated by an adjuster, is to be considered compensation for repair costs, adjustment costs, towing costs, the cost of Vehicle Downtime and administrative and processing costs, amounting to €50 including taxes. If no repairs have been made, the Customer shall owe the estimated amount of their cost as compensation for the loss of market value of the vehicle.

Please note that the Customer may incur personal liability in the case of an accident involving circumstances caused by the Customer's violation of the Traffic Code, regardless of any additional covers taken out. The Lessor shall be entitled to claim, from the Customer at fault, the full cost of the repairs, damage and prejudice suffered by any third parties involved. The Lessor shall further be entitled to terminate the contract and not to provide a replacement vehicle. Any prepaid sums shall belong to the Lessor.

ARTICLE 11: FUEL

Fuel shall be paid by the Customer. If the vehicle is returned with less than fuel than on delivery, the cost of topping up the vehicle shall be invoiced in addition to the cost of the missing fuel, at the rates stipulated in the price list at the Lessor's rental offices.

ARTICLE 12: MAINTENANCE AND REPAIRS

The Customer agrees to use the vehicle prudently. He or she shall be its custodian and be responsible for and in control of driving and transportation operations. The Customer shall regularly verify the level of oil, water and other fluids and also carry out routine maintenance and prevention operations, particularly oil change and greasing, at the Lessor's own workshops or establishments designated by it. The Customer shall keep the invoices and other evidence of these upkeep services at the disposal of the Lessor. Repairs other than normal maintenance operations shall require the Lessor's prior authorisation.

ARTICLE 13: GEOLOCATION

The Lessor informs the Tenant of the existence of a device allowing the monitoring of the kilometres travelled and the management of mechanical alerts. The information collected can be used both during and after the end of the rental period. By accepting these GTC, the Tenant consents to the use of these electronic devices. The Lessor also makes an optional geolocation tool available to the Lessee for eco-driving or security purposes (in the event of theft of the rented vehicle). The Lessor and the Tenant are jointly responsible for the treatments implemented by the Lessor in the event of activation of this option. The Lessor undertakes that this tool complies with the recommendations of the CNIL and the obligations of the GDPR, in particular with regard to its deactivation functionalities, the security and confidentiality of the data processed, the possibility for the persons concerned to have access to their personal data recorded by the tool (dates and times of circulation, journeys made, etc.).

ARTICLE 14: LIABILITY

Pursuant to Articles L 21 and L 21.1 of the Traffic Code, the Customer shall be solely liable for all fines, tickets and police reports. He or she shall also be liable for any legal action brought against him or her by the customs administration. Consequently, he or she agrees to repay the Lessor all costs of this kind paid in the Customer's place. In accordance with the rule that punishment should be applied to the offender only, the Customer shall be liable for offences and violations committed during the term of the rental. The Customer is informed that his or her name and address may be reported on request to the competent authorities and that he or she shall as applicable owe file processing costs of €15 including taxes.

The Customer shall verify that he or she does not forget any personal effects in the vehicle. The Lessor shall not be liable for loss of or damage to property left in the vehicle, whether during or after the rental period. Consequently, objects forgotten shall be forwarded at the Customer's request in consideration of an administration fee of €15 including tax, in addition to shipment costs, which shall be deducted from the security deposit.

ARTICLE 15: TERM OF CONTRACT

The rental is granted for a limited period of time, specified on the front page of this contract. If the vehicle is not returned to the Lessor at the agreed return date and there is written authorisation of extension, the Lessor reserves the right to take back the vehicle wherever it is located at the time, at the Customer's expense, on the understanding that the Customer in this case shall have no right to claim wrongful termination of the rental. Rental days are invoiced in units of twenty-four hours. 59 minutes after expiry of the contractual time limit, an additional day shall be invoiced.

ARTICLE 16: SECURITY DEPOSIT

The Customer shall pay the Lessor a security deposit at the moment when his or her rental contract is drawn up. The amount of this security deposit depends upon the category of the rented vehicle. It is indicated in the Lessor's price lists and, at the start of the rental, in the contract. It is intended to cover the Lessor's loss due to damage to and/or theft of the vehicle, on the understanding that this does not release the Customer from the obligation to pay directly any sum owed by him or her, even if these sums exceed said security deposit. This security deposit shall take the form of a credit card preauthorisation governed by the rules of banking law, including a blocking of the amount on the Customer's account without debit, direct debit authorization by the Lessor valid for a period of thirty days. The parties agree that this security deposit shall belong to the Lessor in the case of damage caused by the Customer or in the absence of a fault on the part of a third party and in the case of theft of the vehicle (subject to application of the above-mentioned contractual covers), up to the amount of the loss suffered. Moreover, the Customer herewith authorises the Lessor to deduct from this deposit all sums the Customer owes towards the Lessor or towards any person, authority or administration, including but not limited to fuel, repair and maintenance costs and fines, even after the vehicle has been returned, if the operative event of this debt occurs during rental by the Customer. If the amount of the security deposit is not enough to cover these sums, the Customer agrees to pay them on request immediately to the Lessor or to whoever is entitled to them.

ARTICLE 17: BREACH OF CONTRACT

The Renter's non-compliance with the rental terms and conditions shall entail termination of the rental without prejudice to any damages the Lessor may be entitled to claim.

ARTICLE 18: MEDIATION

In the event of a dispute, the Customer will first contact LAC Customer Service in order to resolve it amicably. If this process fails, the client can use the online mediation service of the CMAP (Centre de Médiation et d'Arbitrage de Paris) accessible at the URL address: <http://www.cmap.fr/> or at the postal address: CMAP (Consumer Mediation Service) - 39 avenue Franklin D. In accordance with the rules applicable to mediation, it is recalled that a consumer dispute must be confirmed in writing to LAC Customer Service before any request for mediation with the CMAP.

We inform our Customers that the validity of the security deposit required when renting a vehicle cannot legally exceed 30 days.

We thank you to note that for any request for rental of a duration greater than this period, a new contract must be established in the presence of the Customer, and a new security deposit must be made.

ARTICLE 19: JURISDICTION

in the event of a dispute relating to the execution of this contract, and if the Customer turns out to be a merchant, the courts exclusively competent will be those of the place of domicile of the Lessor. If the Customer is a consumer, he can seize the court of his place of residence at the time of conclusion of the contract or of the harmful event, that of the defendant's place of residence, or that of the place of delivery of the thing.

ARTICLE 20: DATA PROCESSING AND PRIVACY

The purpose of this mandatory insurance and these waivers is to cover your potential financial exposure to risks if one of the following circumstances occurs while you rent and use one of our Vehicles. You need to know that when you are the driver of a Vehicle at the moment of a collision for which you are liable, injured Passengers are covered by our Legal Liability insurance towards the Third Party whereas your own damage (and their potential consequences) or your death are not covered. You can nevertheless be covered in these circumstances if you take out the complementary coverage provided for by our Personal Accident Insurance.

Vehicle means the vehicle you rent with us or which you drive with our authorisation.

I – GENERAL TERMS AND CONDITIONS OF LEGAL LIABILITY INSURANCE

Under the laws of the country where we provide our rental services, we are obliged to insure our Vehicles against Legal Liability towards Third Parties. This Insurance is automatically included in our vehicle rental services. In the country where you rent the Vehicle, your legal liability is therefore automatically covered against the consequences suffered directly by others due to your actions while driving the Vehicle.

What am I insured against?

In accordance with the law, you are insured against the following financial consequences of an incident or accident caused by you while driving the Vehicle:

- ❖ Any sudden Physical Injury or death of a Third Party;
- ❖ Any damage to the property of a Third Party and the losses and costs resulting from such damage.

What is excluded?

Third Party Liability Insurance does not include:

- ❖ The Physical Injury or death you (the driver at the moment of collision) may suffer; or
- ❖ Any damage to your own property and personal effects transported in the Vehicle; or
- ❖ Any damage to the Vehicle itself.

What is my financial exposure as regards Legal Liability?

Provided you have not been guilty of material breach of the applicable laws (including all applicable rules of the Traffic Code), you are insured against the financial consequences of an incident or accident caused by you to a Third Party while driving the Vehicle, up to the level required locally under the applicable legislation.

However, if you have been in breach of said laws and/or said regulations, you may nevertheless be required to repay all or part of the costs incurred by insurer in connection with the incident or accident.

How should you inform us?

When circumstances involve a Third Party, it is important that you fill out and sign promptly an accident report providing us with full details of the incident or accident and of the Third Party. This will allow us to protect our position in respect of this Third Party (if you are responsible for the incident or accident) or to recover the costs from the Third Party in question (if this Third Party is responsible for the incident or accident). The accident report must be sent to us within 5 business days from occurrence of the incident or accident or as soon as circumstances allow.

We inform our Customers that the validity of the security deposit required when renting a vehicle cannot legally exceed 30 days.

We thank you to note that for any request for rental of a duration greater than this period, a new contract must be established in the presence of the Customer, and a new security deposit must be made.

II – GENERAL TERMS AND CONDITIONS OF ADDITIONAL WAIVERS**2.1. COLLISION DAMAGE WAIVER (CDW)**

Our collision damage waiver limits your financial exposure for damage to the Vehicle while in your custody. If you opt for our standard collision damage waiver, granted subject to compliance with the applicable laws and our General Rental Terms and Conditions, you are exempt from the cost of damage to the Vehicle exceeding the amount of Excess. You can lower or eliminate Excess by opting for our range of higher collision damage waivers instead our standard waiver.

This Waiver does not cover loss or theft or damage to objects or property (including Luggage or commercial goods) deposited, kept or transported in or on the Vehicle by you or by a Passenger.

Against what am I insured?

This product limits your financial exposure to any sum exceeding the Excess as regards the cost of damage to the Vehicle or repair of the Vehicle or its Value Determined by a Loss Adjuster if it cannot be repaired, under the following circumstances:

- You have collided with a fixed or mobile object or body; or
- The Vehicle has been subjected to an act of vandalism while you were driving or using it; or
- Windows, headlights or reflectors have been damaged or broken or one or more tyres have been damaged or punctured during a collision.
- Natural disaster: You are covered for damage caused directly by an event defined by the applicable laws as a natural disaster. In this case, we shall apply the excess provided for by the applicable regulations.

What is excluded from this Waiver?

You remain financially liable for the full cost of damage to the Vehicle, if this damage is caused by:

- ❖ Intentional actions on the part of the driver; or
- ❖ An explosion or fire occurring in (or against) the Vehicle because you are using it to transport dangerous goods (dangerous goods being defined as any product or substance which, by its nature and/or principal characteristics, is reasonably considered to present a danger and which, without transportation organised with the appropriate care and safety measures, is likely to damage the Vehicle and to harm a Third Party located at a reasonable distance thereof); or
- ❖ Its total or partial theft or by an act of vandalism while the Vehicle is parked in your absence;
- ❖ Your negligence (defined as conduct departing from the standard of conduct expected from a reasonably prudent person acting under similar circumstances) or the negligence of your Passengers (including but not limited to an incident caused by the use or presence of cigarettes or cigars);
- ❖ Loss or theft of the keys.

This waiver also excludes loss of or damage to your own property when transported or kept in or on the Vehicle during rental.

Moreover, even if you have agreed to pay one or more Additional Waivers to reduce excess, you will remain fully liable for all damage to the upper parts of the coachwork due to a shock against a fixed or mobile body (bridge, tunnel, porch, tree branch, falling coconuts, other overhanging objects, etc.). The same shall apply for damage to the coachwork and the mechanical parts underneath the Vehicle (front-wheel axle unit, oil sump, corrosion due to Vehicle's having been in salt water, etc.) You will have full financial liability for all damage caused to the Vehicle by uses for which the Vehicle is not designed or by off-road use.

What do I need to do to benefit from this Waiver?

You must:

- Take out this cover;
- Comply with our General Rental Terms and Conditions and all applicable traffic laws and regulations during rental;
- Notify us within 24 hours after the date of the incident and, in any event, before the end of your rental period. You must also send us a complete and fully filled-out Accident Report within maximum 5 days after the incident, and/or any other document you consider necessary or advisable in support of this report.

What is the amount of my financial exposure?

If during your rental the Vehicle is damaged and you have not taken out this cover, you will owe the total cost of the damage and compensation for Vehicle Downtime.

The amount of the damage is the financial value of the loss suffered by the Hirer due to damage to, destruction of or theft of the Vehicle rented by the Customer. Consequently, any sum claimed by the Hirer for damage to the rented Vehicle, as estimated by an adjuster, is to be considered compensation for repair costs, adjustment costs, towing costs, the cost of Vehicle Downtime and administrative and processing costs.

However, if you have taken out CDW coverage, subject to compliance with our General Rental Terms and Conditions and the applicable traffic laws and regulations, the maximum amount you may have to pay will correspond to Excess and administrative and file processing costs (See Rates Guide available on the desk of agencies and accessible below).

2.2. THEFT WAIVER (THW)

Our Theft Waiver limits your financial exposure to loss of the Vehicle when stolen or when damaged by attempted theft during your rental while the vehicle is parked in your absence. If you have opted for this Waiver, subject to compliance with our General Rental Terms and Conditions, we will bear the cost of the theft or the attempted theft exceeding the amount of Excess. You can lower or eliminate Excess by opting for our range of higher collision damage waivers instead our standard waiver.

Against what am I insured?

This product limits your financial exposure to any sum exceeding the Excess as regards the cost of damage to the Vehicle or repair of the Vehicle or its Value Determined by a Loss Adjuster if it cannot be repaired or its market value if not found, under the following circumstances:

- Theft of the Vehicle;
- Attempted theft of the Vehicle;

What is excluded from this Waiver?

This product does not provide you with cover in the following circumstances:

- If the Vehicle is stolen or damaged because of your negligence or, more precisely (and not limited to), because the keys were left in the Vehicle while it was not under surveillance or had been entrusted to an unauthorised person, incorrect use of the antitheft device or any omission to return the keys to us, or because you left the Vehicle unlocked while not using it.
- Theft or damage to the personal and/or professional belongings and to any property transported in or on the Vehicle.
- Theft or attempted theft of accessories, including but not limited to the radio, the antenna, the spoilers, the rear-view mirrors and the tyres.

What do I need to do to benefit from this Waiver?

You must:

- Take out this cover;
- Comply with our General Rental Terms and Conditions as they apply to theft or attempted theft of the Vehicle;
- Notify us, through the agency where you picked up the Vehicle, within 24 hours after the moment when you became aware of the disappearance of the Vehicle and send the keys to the agency where you picked up the Vehicle;
- Inform the local police of any incident or event within two days after the event and send us the police report or any evidence proving that the incident was reported to the police;

What is the amount of my financial exposure?

If, during your rental, the Vehicle is stolen or damaged during attempted theft while the Vehicle is parked without surveillance and you have not taken out this cover, you will owe the full cost of damage caused to the Vehicle (if the Vehicle is found) or of the Market Value of the Vehicle if not found, as well as compensation for Vehicle Downtime based upon the daily rental rate stipulated by your contract multiplied by the number of days during which the Vehicle was stolen.

If you take out the Theft Waiver, subject to compliance with our General Rental Terms and Conditions, the maximum amount you may have to pay will correspond to Excess and administrative and file processing costs (See Rates Guide available on the desk of agencies and accessible below).

2.3 GLASS, HEADLIGHTS AND TYRE WAIVER (GTW)

This cover will apply to all damage to the windows, headlights or tyres during normal use of the Vehicle during your rental. If the damage occurs due to a traffic accident, the cost of repairing or replacing the windows, headlights or tyres will be covered by the Collision Damage Waiver.

Against what am I insured?

If you have taken out this Waiver, you are protected against all financial liability for damage to:

- ❖ The windshield; or
- ❖ Any side or rear window; or
- ❖ Reflectors or headlights; or
- ❖ Rear-view mirrors;
- ❖ The tyres mounted on the Vehicle, unless this damage is due to your Abnormal Use of the Vehicle.

What is excluded from this Waiver?

This product does not cover theft, fire and/or vandalism, or damage to sunroofs, panoramic roofs or the soft top of cabriolets.

Administrative and file processing costs are not included in this cover.

We inform our Customers that the validity of the security deposit required when renting a vehicle cannot legally exceed 30 days.

We thank you to note that for any request for rental of a duration greater than this period, a new contract must be established in the presence of the Customer, and a new security deposit must be made.

What do I need to do to benefit from this Waiver?

You must:

- Take out this cover;
- Comply with our General Rental Terms and Conditions and all traffic laws and regulations during rental;
- Notify us within 24 hours after the date of the incident and, in any event, before the end of your rental period. You must also send us a complete and duly completed and signed Accident Report and any other document providing an accurate description of the event (nature of damage to the Vehicle, place where the incident occurred, date and circumstances under which it occurred and name and address of potential witnesses). You may of course include any other document you consider necessary or advisable in support of your Accident Report.

What is the amount of my financial exposure?

If during your rental any window or headlight of the Vehicle is broken and/or any tyre mounted on the Vehicle is damaged and you have not opted for this cover, you will owe the full cost of the damage suffered by us.

However, if you take out this Glass, Headlight and Tyre Waiver, subject to compliance with our General Rental Terms and Conditions and the applicable traffic laws and regulations, the maximum amount you may have to pay will correspond to Excess and administrative and file processing costs (See Rates Guide available on the desk of agencies and accessible below).

2.5. PERSONAL ACCIDENT INSURANCE (PAI)

Our rental services automatically include Legal Liability Insurance, which does not cover physical injury of the Vehicle driver at the moment of collision.

If you have caused a collision while driving the Vehicle, neither the insurer of the rented Vehicle nor the insurer of Third Parties will cover the financial consequences of Physical Injury or your death.

In order to minimise these circumstances, your financial exposure in the case of your death or any Physical Injury, we offer Personal Accident Insurance (PAI), which you can take out to cover the medical cost of injuries and/or to receive a fixed compensation in the case of disability or death due to an event covered by the contract or an accident.

Against what am I insured?

If you take out this cover, the following financial consequences of your death or any Physical Injury directly due to a collision while you were driving the Vehicle:

- ❖ A fixed sum of maximum € 15 245
 - ✓ In the case of death (or presumed death) within 24 months after the occurrence of the collision or the insurance loss;
 - ✓ In the case of permanent, partial or total disability directly due to the collision or to the insurance loss;
- ❖ The medical costs up to a maximum amount of € 762 (including hospitalisation, medical consultations and pharmaceutical costs; appropriate X-rays and medical checks; dental treatment or any prosthesis) generated by a collision or an event covered by the contract.
- ❖ Provided you have taken out this insurance, it will apply to you and/or the Passengers in the Vehicle who were the victim of the collision that occurred during the period of your rental.
- ❖ You may benefit from this insurance regardless who was liable for the collision in the following situations:
 - ✓ Passengers, who are always considered Third Parties for the purpose of Legal Liability, may be indemnified under the Legal Liability Insurance but may also receive the fixed compensation to which they are entitled under the Personal Accident Insurance;
 - ✓ If you were not the cause of the collision that occurred while you were driving the Vehicle (a "no-fault driver") you may be indemnified under the Legal Liability Insurance of the responsible Third Party but you may also receive the fixed compensation to which you are entitled under the Personal Accident Insurance;
 - ✓ If you have caused a collision while you were driving the Vehicle (the "driver at fault"), you cannot be indemnified under the Legal Liability Insurance but you may be entitled to the fixed compensation to which you are entitled under the Personal Accident Insurance.

What is primarily excluded from this Insurance?

Personal Accident Insurance (PAI) does not cover:

- ❖ The above cost(s) when earmarked for expenses not directly connected with the collision or with the insurance loss that occurred while the Vehicle was under your control or when you have caused or triggered the accident or collision intentionally; or
- ❖ The cost of a treatment followed by you or pathologies suffered by you before occurrence of the accident or collision; or
- ❖ Any damage to or loss of your Luggage; or
- ❖ Any damage to the Vehicle.

What is the amount of my financial exposure?

Subject to compliance with the applicable legislation (including current traffic regulations and particularly compliance with safety belt regulations and rules on the maximum number of seats available according to the specifications of the manufacturer of the rented Vehicle) you are covered up to the maximum amounts stipulated above.

However, if you have failed to comply with the applicable laws and/or regulations, our insurer may refuse to grant the whole cover. For example, if 7 persons are injured in a vehicle designed for 5 persons, the Personal Accident Insurance does not apply. Moreover, if it can be shown that you were even partly responsible for the degree of Physical Injury suffered during the collision or the insurance loss, the insurer may lower the compensation owed under this insurance cover.

How should you inform us?

It is important that you do everything you can to fill out correctly and to sign the Accident Report form. This form provides us with complete and detailed information about the accident and allows us to process your claim as effectively as possible. The Accident Report form must be sent to us within maximum 5 business days after occurrence of the collision or the event covered by the contract.

We inform our Customers that the validity of the security deposit required when renting a vehicle cannot legally exceed 30 days.

We thank you to note that for any request for rental of a duration greater than this period, a new contract must be established in the presence of the Customer, and a new security deposit must be made.
