Credit Union Offers New Low-Cost Mortgage Program to Help You Save

Buying a home cannot be described as anything less than a journey. A trusted financial partner can help make the journey go more smoothly, and Merck Employees Federal Credit Union (Merck EFCU) is proud to serve as that partner for Merck employees and their families.

Merck EFCU offers a variety of financial products and for a limited time, it is reducing its mortgage rates by 0.25% and waiving the \$250 mortgage application fee to help with the mortgage loan process. And since we know how valuable your time is, the application takes only 15 minutes to complete.

Visit <https://merckcu.mortgagewebcenter.com> for more information and to complete the application. The site will also provide you with a customized rate and fee quote based on your unique loan scenario.

Merck EFCU offers just about every type of mortgage available and for any type of borrower. Complete an application online today and your dedicated loan officer will contact you within the next business day to discuss your loan.

Election Procedures & Bios of Nominating Committee Candidates:

During the 2019 Annual Meeting, an announcement of election results for the Board of Directors will be made. In 2019 there are three expiring positions on the Board to be filled. The election will be conducted prior to the meeting by mail ballot, unless there is only one nominee for each position to be filled. In accordance with the Credit Union's bylaws, when the number of nominees equals the number of vacancies, nominees are considered elected by general acclamation.

To assemble a slate of candidates for the three elected positions, a Nominating Committee of Patrick Ruane, Lisa Auerbach and James Czarnatowicz, was appointed.

The committee's primary responsibility was to recommend candidates deemed most qualified to carry out the mission of the Credit Union. Nominees were selected based upon demonstrated leadership qualities and their commitment to the goals of the Credit Union.

If a mail ballot is required, ballots will be mailed to members by April 26, 2019. To be eligible to vote, a member must have a minimum of fifty dollars (\$50) in a regular share account, be at least sixteen (16) years of age and a member in good standing as of January 1, 2019.

Nominations will not be accepted from the floor at the annual meeting. Nominations may only be made by the nominating committee or by petition. For petition forms, contact the Secretary of the Credit Union Board of Directors, at (732) 594-4387.

Nominating petitions must be signed by at least 252 members and accompanied by a signed certificate from the petitioner stating that they are agreeable to the nomination and will serve if elected. Petitioners must also submit a statement of qualifications and biographical data with their petition. Completed petitions must be received at the Credit Union, addressed to the Secretary of the Credit Union Board of Directors, by midnight, February 15, 2019.

The Nominating Committee has selected the following candidates for 3-year terms to fill the three positions on the Board of Directors:

Douglas Christie (Incumbent).

Doug retired from Merck after 42 years of service. He retired as a HVAC Tech. Doug has been a Member of the Credit Union's Board of Directors since 1976. During these 43 years, Doug has served as Chairman, Vice Chairman and Secretary of the Board.

Jeffrey Hack (Incumbent).

Jeff currently serves as the Board Treasurer. While at Merck & Co., he was a manager working in both the Finance Department and Shared Business Services, leaving in 2010. He currently works at an investment firm in NYC. Prior to joining the Board, Jeff had served on the Supervisory Committee since 2007 and was its chairman from 2011-2013.

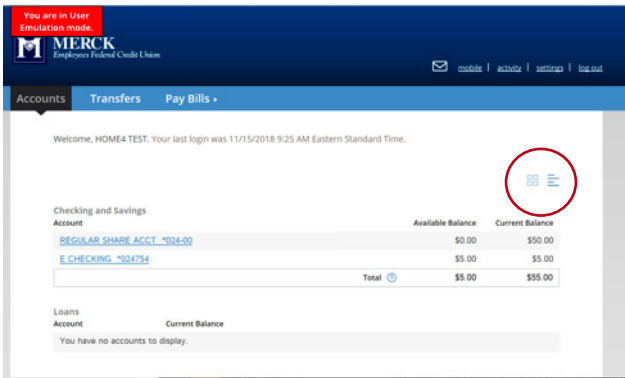

Bernard Wisniewski (Incumbent).

Bernie retired from Merck in 2010 as Director of Corporate Accounts Payable after 20 years of dedicated service. Bernie has served on the Credit Union's Board of Directors for 16 years. Prior to being a member of the Board, Bernie served on the Supervisory Committee.

password. Passwords must be a minimum of 8 characters to a maximum of 32 and must contain an upper and lower-case letter, a number, and can include a special character. You will then be prompted to answer a series of security challenge questions to enhance the security of accessing your accounts. These questions can be used to reset your password in the future if necessary. Lastly, you will be prompted to accept our Online Banking Terms and Conditions.

• **Will My View of Accounts Be the Same?** The new system gives members the option of viewing accounts in “list” mode or “tile” mode. To the right of the accounts page members will see the “list” and “tile” icons (circled in red in the pictures below). Both views present the same information, but simply appear in a different format based on the user’s preference.

• **Will My Bill Pay Payees Carry Over?** The credit union is making every effort to have all of your existing Bill Pay payees carried over to the new system, but there is the potential for some payees not being carried over during conversion. Members are encouraged to check their payee list in the new system to ensure their payees are showing. If a payee has not been moved over, the new Bill Pay system has a quick and easy process to add new payees by selecting from common categories such as
