

2026: Trackside Parking Terms and Conditions

The following trackside parking terms and conditions apply to all persons who purchase or access trackside parking at events (**Event**) conducted by V8 Supercars Australia Pty Ltd and its related bodies corporate (**Supercars**) where trackside parking is available (**Trackside Parking Terms and Conditions**). By purchasing and/or using a trackside parking ticket, the purchaser and/or user of the ticket (**you**) agrees to be bound by the terms and conditions set out below. These Trackside Parking Terms and Conditions are in addition to the Conditions of Entry to the Event.

Access

1. Your ticket, pass, credential or other entry authorisation for trackside parking sold or granted to you on behalf of Supercars (**Trackside Parking Ticket**) provides you with a conditional licence for admission to the trackside parking area of the Event. This licence may be revoked by Supercars at any time in its absolute discretion, including for any breach of these Trackside Parking Terms and Conditions, and no refund will be provided where such revocation is due to your breach of these Trackside Parking Terms and Conditions.
2. Each vehicle requires a valid Trackside Parking Ticket and it must be displayed at all times and affixed to the bottom left (passenger side) of the front windscreen. Trackside Parking Tickets are non-transferable.
3. Your Trackside Parking Ticket may only grant you access to a trackside parking area for a limited period of time. You must not enter or remain at an Event or certain areas of that Event outside of those times.
4. You may be refused entry to, or directed to leave, a trackside parking area of an Event if you fail to present your Trackside Parking Ticket upon request by Supercars staff, or if you breach any of these Trackside Parking Terms and Conditions.

Conduct and Safety

5. All vehicles must adhere to a strict 10kph speed limit within the trackside parking area.
6. All vehicles must be standard passenger vehicles only. Caravans, trailers, trucks, motorhomes, buses, vehicles with commercial signage, and any vehicle exceeding 6 metres in length or 2.2 metres in height are strictly prohibited.
7. All vehicles must park perpendicular to the track in the designated parking spaces as directed by Supercars.
8. You must not erect, install or attach any side awnings or side-of-vehicle structures.
9. Any permitted structures at the front of the vehicle must not impede the view of the vehicles behind.
10. Unless expressly authorised by Supercars, you must not erect structures on the front row of parking.
11. All vehicles, structures and personal belongings must be completely removed from the venue at the end of each day. Any vehicles, structures or personal belongings left behind will be relocated or removed by Supercars at your sole expense, and Supercars accepts no liability for any damage to or loss of such items.
