Outdoor Kitchens

Imagine having everything you need for commercial-quality cooking in your own backyard. With our Estate Series and Infinite Series, that dream can easily be your reality.

Never run out of space

Our grills come with ample space, whether it's built-in storage, end-shelving, adjustable cooking racks, or add-ons.

Your grill is built to last

Constructed from 304 stainless steel, from the body to the grates, your Crown Verity will stand the test of time.

Always innovative

From individual burner control to unique opportunities for customization to our signature, easy-drain water tray, Crown Verity is anything but ordinary.

The Estate Series

Our Estate Series grills come in a wide variety of sizes and specs, but all share the durability, performance, and high-quality materials of a commercial grill. Demand the best in your own backyard.

The Infinite Series — Modular

If you can dream it, you can build it. Our grills and islands are fully customizable, which allows you to build and accessorize the exact BBQ you want.

INFINITE SERIES Modular Grills

Meet the Infinite Series, featuring a grill line that is just like it sounds — infinite in possibilities. Crafted with precision, these grills are completely customizable, allowing you to truly make them yours.

FEATURES

- With 304 stainless steel construction throughout, all grills are backed by a Limited Lifetime Warranty.
- Battery multi-spark ignition system lights the pilot, then provides a flame to each individual burner.
- Each grill has double-walled lid with a lift-assist and cooking illumination, so you can get more entertaining out of your grill.

Patio Heaters

Our unique line of portable patio heaters brings stylish form and function to any setting. Our outdoor heaters are designed to extend the use of your patio deck or dining area.

Extend the use of your home patio

Made for both cool spring mornings or late fall evenings, our patio heaters keep you warm so you can enjoy your backyard oasis longer. Just tilt and roll your heater wherever you need heat.

Turn up the heat

Using our fail-safe ignitor system, our patio heaters radiate a 10' heat circle lasting upwards of 5 hours per tank. Propane and natural gas options are available.

Patio Heaters

Just because the sun goes down doesn't mean the fun needs to end. Create a warm and memorable outdoor experience with an elegant space heater that's built with the same quality craftsmanship as our grills.

A WORLD-CLASS WARRANTY

Crown life is built on craftsmanship

We're proud of our workmanship, and we stand behind everything we make with one of the best warranties in the business – a Limited Lifetime Warranty on all stainless steel grill bodies, cooking grates, and burners.

We also cover on-site labour, replacement parts, and freight in Canada and the US for a period of one year on grills and patio heaters (from proof of purchase). Some conditions apply.

Learn more about our impeccable warranty at:
