# Outdoor Kitchens

Imagine having everything you need for commercial-quality cooking in your own backyard. With our Estate Series and Infinite Series, that dream can easily be your reality.

#### Never run out of space

Our grills come with ample space, whether it's built-in storage, end-shelving, adjustable cooking racks, or add-ons.

#### Your grill is built to last

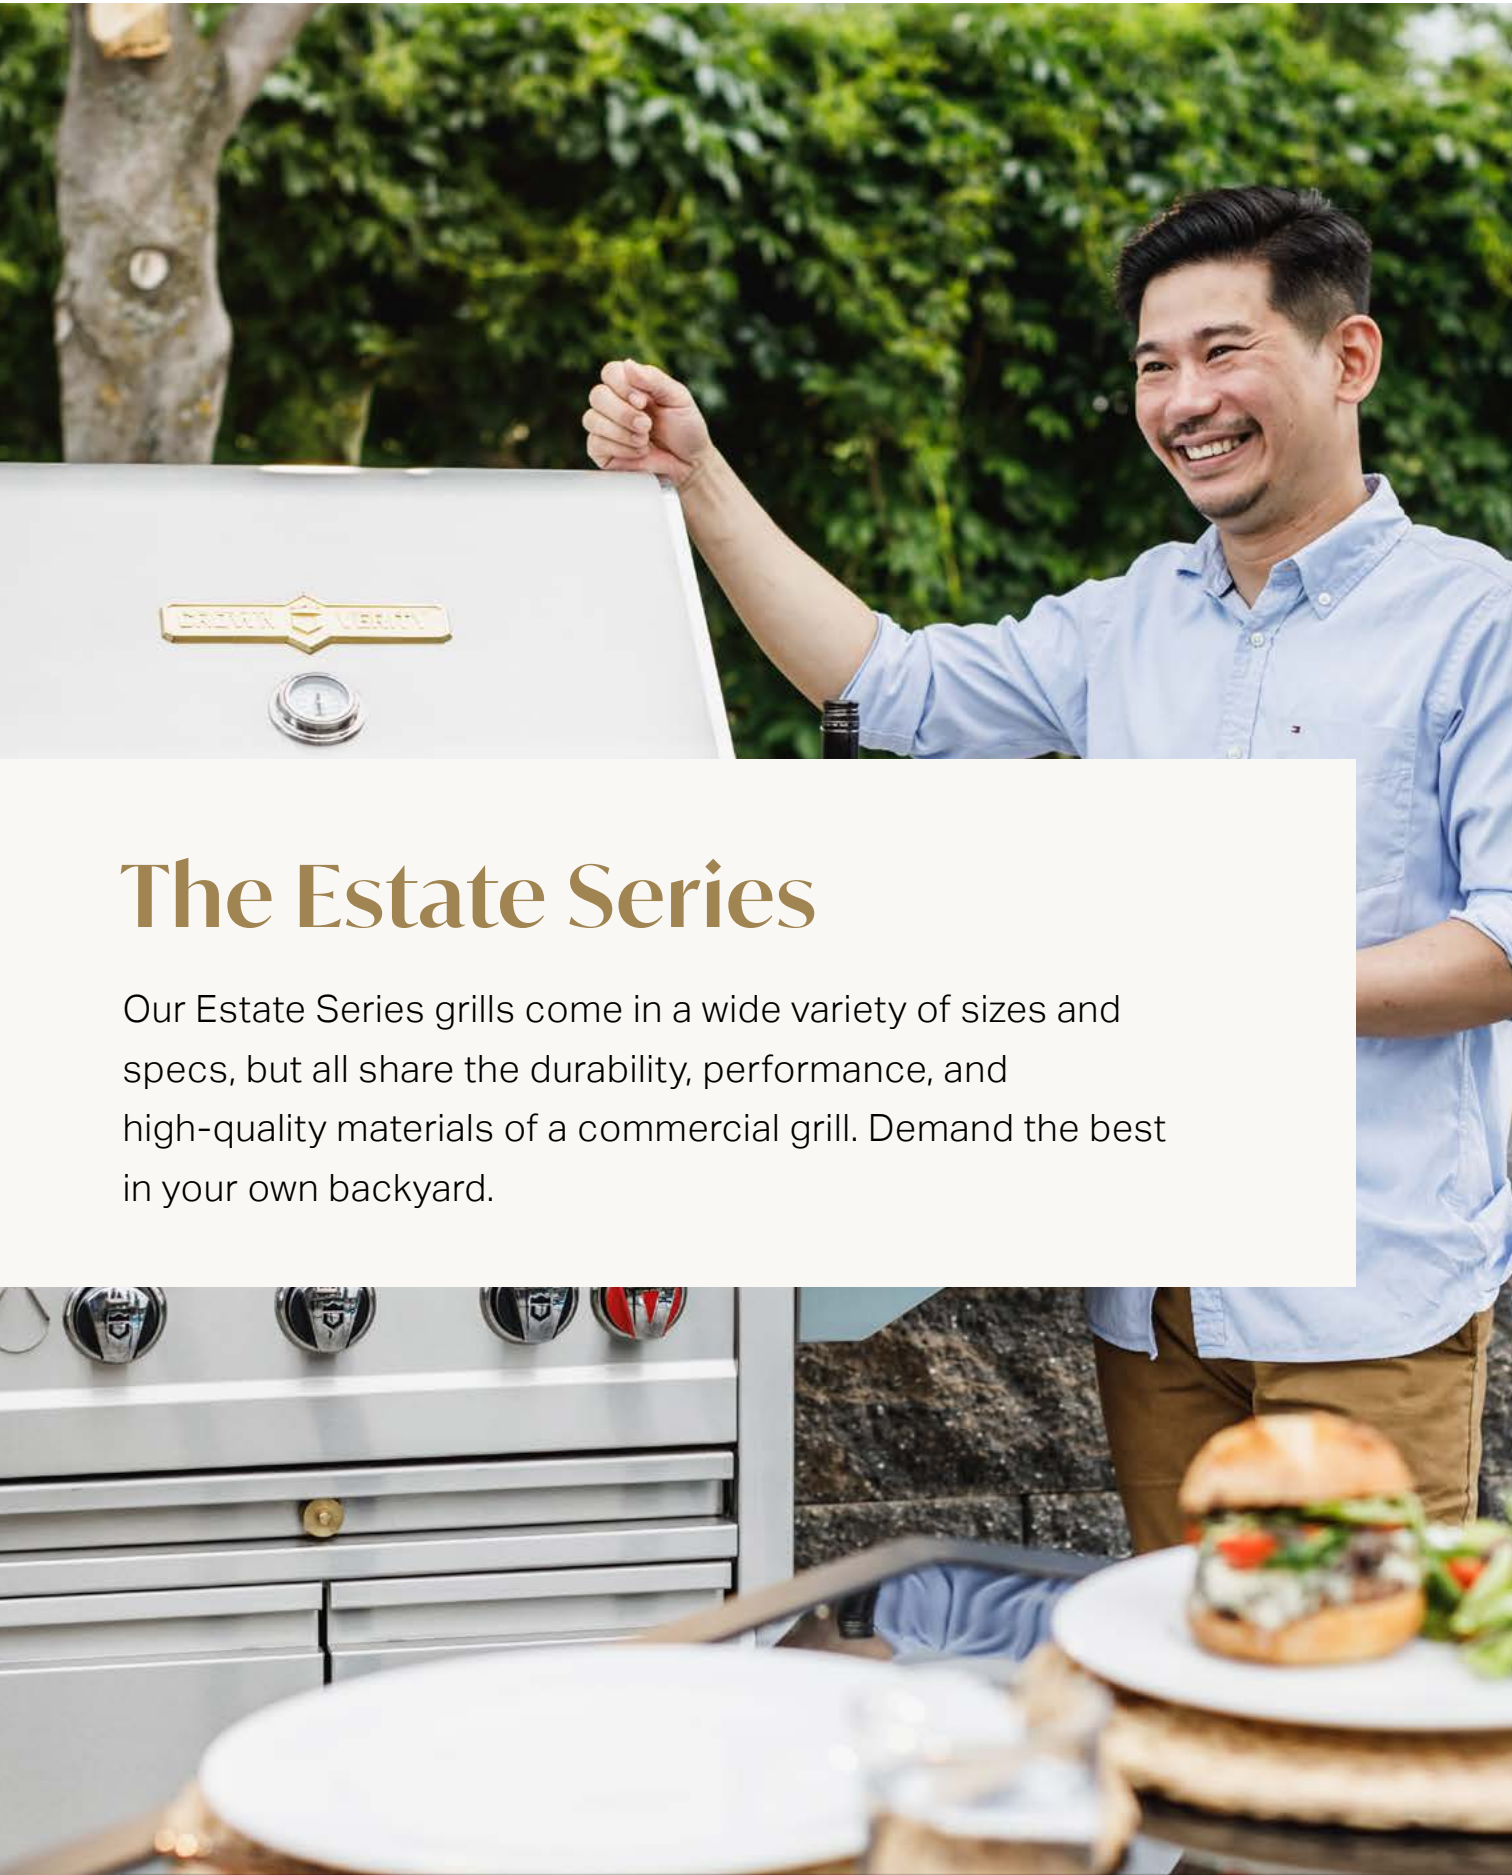

Constructed from 304 stainless steel, from the body to the grates, your Crown Verity will stand the test of time.

#### Always innovative

From individual burner control to unique opportunities for customization to our signature, easy-drain water tray, Crown Verity is anything but ordinary.

# The Estate Series

Our Estate Series grills come in a wide variety of sizes and specs, but all share the durability, performance, and high-quality materials of a commercial grill. Demand the best in your own backyard.

# Patio Heaters

Our unique line of portable patio heaters brings stylish form and function to any setting. Our outdoor heaters are designed to extend the use of your patio deck or dining area.

## Extend the use of your home patio

Made for both cool spring mornings or late fall evenings, our patio heaters keep you warm so you can enjoy your backyard oasis longer. Just tilt and roll your heater wherever you need heat.

## Turn up the heat

Using our fail-safe ignitor system, our patio heaters radiate a 10' heat circle lasting upwards of 5 hours per tank. Propane and natural gas options are available.

# Patio Heaters

Just because the sun goes down doesn't mean the fun needs to end. Create a warm and memorable outdoor experience with an elegant space heater that's built with the same quality craftsmanship as our grills.
