

CV-PCB-36

36" Portable Grill

CV-PCB-36 model may differ slightly from rendering above

FEATURES

- Grills constructed of 304 stainless steel
- Every grill comes equipped with a pullout water tray that catches grease and cools food when it drops
- Includes water pans with drain spout to ease cleaning and help eliminate grease fires from occurring
- 15,000 BTUH stainless steel burners - units heat up to cooking temperature within 5 minutes
- Ready to use: ships completely assembled on a skid
- Four levelling feet included
- Additional side handle allows for ease to lift the unit on and off of surfaces
- Equipped with additional crash bars on the front face to ensure a robust build; prepared for regular movement
