## Vehicle Count During the event

Whether it's residents arriving or leaving the street, or non-residents being turned away from your street while the event is going on, keeping track of how the event affects vehicles adds an important dimension to the overall picture.

Location:

(Street entrance/adjoining road)

Date:

Weather:

(On the day of the count, ie sunny, windy, raining etc.)

Count start time:

Count end time:

**Record all vehicles entering or leaving the road at the survey location.**

Type of movement	Tally count	Total
Resident's vehicle leaving the street		
Resident's vehicle returning to the street		
Non-resident's vehicle being redirected		

**Thank you so much for taking the time to record your event.  
The feedback is invaluable to us and we really appreciate it!**
