

Current Ineligible School List

Students currently attending a school a Scholar was selected from in 2022 or 2023 are not eligible to apply for the upcoming cohort. This policy encourages equity of opportunity, allowing us to bring the Scholar experience and the community change projects Scholars create to more schools and geographical locations. The program not only supports and serves individual students and educators, but also brings opportunities and resources to the school ecosystem they are part of.

Students attending any of the schools listed below are not eligible to apply in the fall of 2023 for the 2024 cohort.
