

# SUPPORT STUDENTS IN LEADING AND TAKING ACTION

Become a Bezos  
Scholar Educator  
—become the  
leader we need.

The Bezos Scholars Program is a year-long leadership development program that **amplifies youth voice and action.**

Students nominate a school staff person who will fully participate in the program alongside them to launch a community change project. This includes an all-expenses paid trip to experience Aspen Ideas Festival June 24-June 30, 2025.

Build on your student advocacy skills, reignite or deepen your passion for education, and **support students** in enhancing their leadership and improving your community.

**1** Amazing week in Aspen kicking off a year of inspirational leadership development

**17** Exceptional students selected annually along with 13 visionary educators

**218** Community Change Projects launched by Scholars since 2005

**527** Bezos Scholar student and educator alumni around the world
