Our Vision and Convictions

VISION

The vision of Reformation Bible College is to be faithful in educating students in the historic Christian faith, as affirmed in the Reformed confessions, so that they know, serve, and worship God in all of life.

PURPOSE

The purpose of Reformation Bible College is to produce knowledgeable and articulate students who embrace God in His holiness as taught in the Reformed classical tradition.

DISTINCTIVES

1. We offer a comprehensive program of biblical and theological studies because of the timeless value of theological education for all of life.
2. We emphasize the great works of literature, history, and philosophy because a true liberal arts education best prepares students for all vocations today.
3. We train students in the skills of communication, critical thinking, and problem solving because these competencies are essential to success in all endeavors.
4. We are an intentionally small community of dedicated mentors and students because theological education includes personal discipleship.

CONVICTIONS

1. We uphold the inerrant and infallible Word of God as our authority and are committed to teaching the whole counsel of God.
2. We affirm the historic, orthodox, Reformed tradition as summarized in the ancient statements of faith, the five *solas* of the Reformation, and the consensus of the historic Reformed confessions as taught in the Three Forms of Unity, the Westminster Standards, and the 1689 Baptist Confession of Faith.
3. We serve alongside families and the church to disciple students to have an increasing love for Christ.
4. We believe that the holiness of God governs and animates our life together as faculty, staff, and students.
5. We affirm the vision of Ligonier Ministries to propagate the Reformed faith to the church throughout the world and the mission of Ligonier to proclaim, teach, and defend the holiness of God in all of its fullness to as many people as possible.

Welcome to RBC

Our name defines us. We are a college committed to theological higher education, grounded in and governed by the Bible, and rooted in the past while reaching forward for a new Reformation.

R.C. Sproul, our founder, had a distinct and clear vision for RBC. In fidelity to that vision, we provide a uniquely integrated and comprehensive program of biblical and theological studies. Additionally, we emphasize the great works of literature, history, and philosophy. We also seek to equip our students to be compelling communicators in an age when truth, goodness, and beauty are compromised, cheapened, and even denied.

At RBC, we are an intentionally small community of dedicated mentors and students because we believe theological education is discipleship. Our faculty and staff are invested in the lives of our students and seek to see them grow in the knowledge of God and His holiness. We are profoundly grateful for the commitment our students demonstrate to the Lord and encouraged by their sense of calling. We count it a privilege to play this role in their education.

If there is anything we can do to serve you, please connect with us. We would love to hear from you.

Our Doctrinal and Discipleship Commitments

DOCTRINAL COMMITMENTS

We affirm the historic, orthodox, Reformed faith as summarized in the ancient statements of faith, the five *solas* of the Reformation, and the consensus of the historic Reformed confession as taught in the Three Forms of Unity, the Westminster Standards, and the 1689 Baptist Confession of Faith.

The institution's doctrinal commitments also include endorsements of the Chicago Statement on Biblical Inerrancy, the Cambridge Declaration of the Alliance of Confessing Evangelicals, and the Ligonier Statement on Christology.

The student body of RBC represents a broad range of evangelical affiliations. All students are required to comply with the Student Standards of Faith and Conduct (see pages 58–59).

DISCIPLESHIP COMMITMENTS

As a community of teachers and learners, we are committed to promoting excellence by openly requiring, regularly urging, and making every effort to display the fruit of the Spirit in our lives. Although good teaching, study habits, and intellectual ability are crucial for success at RBC, what is truly indispensable is the sober-minded and joyful application of Christian graces to all teaching and learning.

At RBC, we believe that theological education includes personal discipleship between dedicated mentors and students. Faculty disciple students in the classroom and in individual meetings. The Student Care team regularly meets with students for prayer and support and hosts occasional events throughout the academic year aimed at spiritual formation. During the semester, the entire college community meets weekly for chapel services held in the sanctuary of Saint Andrew's Chapel on Thursdays at 11:00 a.m. Chapel attendance is required for all degree-seeking, full-time students. Finally, students are expected to attend weekly services in a local church and to be regularly involved in the activities of that church body. See the Student Handbook for more details.

Together, the RBC community seeks to cultivate our growth in the knowledge of God and increase our love for God and obedience to His Word, as demonstrated in a commitment to faithful service in the church and in the world.

Systems and Support

PORTAL

The RBC student portal is a web-based platform that serves as a centralized online hub for systems access and college information. The portal provides RBC students with a range of academic and administrative resources and services. The purpose of the student portal is to enhance communication, streamline processes, and improve the overall student experience.

Access the portal at portal.ReformationBibleCollege.org by logging on via SSO with a college email address. Once on the portal, students will find helpful links to RBC campus life, course information, official college communications, library resources, technology support, and more.

CANVAS

Canvas is the primary learning management system at RBC. It is used to view recorded lectures, see your courses, submit assignments, take quizzes and exams, see important class announcements, and interact with other students and TAs.

PRONTO

Pronto serves as RBC's designated student communication platform, facilitating interaction between faculty, staff, and students. It is the primary conduit for disseminating course-related information, campus updates, event notifications, alerts, and more. As such, students are required to regularly check Pronto. Through Pronto, students can communicate with professors, teaching assistants, and staff members, as well as collaborate with peers.

Students will be automatically added to RBC-created Pronto groups and can access the platform within Canvas via web browser and through computer and mobile applications. Pronto is also accessible via the student portal.

TURNITIN

Turnitin is an online service used to promote academic integrity. It checks student work against a vast database of sources to help identify potential plagiarism and ensure proper citation practices.

RESPONDUS

Respondus is a secure testing application used to maintain the integrity of online exams. It locks down the testing environment within Canvas and may include monitoring features to prevent unauthorized resources or activity during assessments.

POPULI

Populi is the student information system used by Reformation Bible College for academic, financial, and student records. In Populi, you are required to pay your tuition and fees. You may also view your transcripts and courses, and update your personal information. Each student has a Populi account. Using single sign on (SSO) to log in, you will be taken to your main page and see links to Home, My Profile, and Courses. Students are encouraged to learn the system by using the Help link.

FILES: Academic forms are made available to students in Populi under Files > Shared with Everyone.

ACADEMIC INFORMATION: Students have access to their academic information in Populi under My Profile > Student. Here, students will have access to their academic records. Individual course information, such as syllabi, professor information, and required books, is available by selecting the name of each course.

Systems and Support

Students may export academic information such as degree audits, class schedules, and unofficial transcripts under My Profile > Student. Official transcripts can also be requested from My Profile > Student.

FINANCIAL RECORDS: Students may access their financial records in Populi under My Profile > Financial. Payments must be made online through Populi by selecting Make a Payment. Invoices may also be sent to a third party for payment. This option can likewise be found under Make a Payment.

CONTACT INFORMATION: A student's contact information is found in Populi under My Profile > Info. Students are responsible to keep their contact information updated.

Contact information for others in the RBC community can be found using the Search feature on the right side of the page. Students may make their contact information unavailable to other students under My Profile > Info.

ACKNOWLEDGMENT

Some instructions listed here and following are modified from directions given by Populi and Canvas support.

Learning Resources

LIBRARY

The RBC library is intentionally designed to promote biblical and theological studies in the Reformed tradition and the great works. The library volumes have been carefully curated to support the RBC curriculum and provide reference materials for theological research.

PRINT RESOURCES

The physical library collection consists of more than 14,000 carefully curated volumes in theology, biblical studies, history, literature, and philosophy to support the RBC curriculum. All curated volumes are added to the open public access catalog (OPAC), labeled, and shelved. Book cataloging is accomplished using Surpass, a cloud-based integrated library system. Once added to Surpass, book records can be accessed using the online RBC library catalog at rbc.library.site. The online catalog allows users to search for books in the library collection, locate them on the shelves, and find books on the same topic or by the same author.

ELECTRONIC RESOURCES

In addition to print resources, RBC provides students access to several electronic databases for further theological research. The RBC library enables students to access academic journal articles and monographs through seven online databases: JSTOR Arts and Sciences III, the Atla Religion Database with AtlaSerials Plus, the Atla Historical Monographs Collection Series 1 and 2, the EBSCO Religion & Philosophy Collection, the EBSCO eBook Religion Collection, and the Loeb Classical Library.

On-campus and online students may access these resources from any device connected to the RBC network, or remotely with a personal user account (EBSCO) or their RBC email account (JSTOR).

THE HANSEN RARE BOOK ROOM

This special collection contains more than 1,000 rare, valuable, unique books and ancient artifacts. Among these books are 16th-century English Bibles, Torah scrolls, first-edition Puritan works, and a select representation of Dr. R.C. Sproul's personal library.

STUDY CENTER

The RBC study center is regularly available to on-campus students. This is a place where students can work with tutors who are upperclassmen and find help with concepts, research methods, and biblical language development.

CANVAS STUDY MATERIALS

On-campus and online RBC students have access to an online Canvas study course featuring instructional videos. These videos provide helpful guidelines on topics such as Turabian formatting, exegesis papers, theological papers, footnotes, and study tips.

Enrollment

REGISTRATION

Registration for classes takes place during the registration periods shown on the academic calendar. Registration for returning degree-seeking students takes place during the semester prior to the term they are registering for. Registration for incoming students begins on June 1 for the fall semester and December 1 for the spring semester.

REGISTRATION PROCESS

Students must settle all financial obligation to the college, including a \$300 non-refundable enrollment deposit prior to registering. This deposit will be applied toward tuition for the semester for which they are registering.

Registration paperwork is made available by the registrar's office. Each student completes the Registration Form and Financial Acknowledgment Form. Students may also apply to pay on-campus tuition in installments throughout the semester through the Payment Deferral plan.

Students complete registration by enrolling online. Populi will feature a Registration tab during registration periods.

Faculty advisors are available for counsel before registration.

SENIOR PRIORITY REGISTRATION

Students who are in the last year of the four-year Bachelor's program are given priority registration at the beginning of the registration period. Registration opens for seniors an hour prior to registration opening for all returning students to ensure they are registered for the courses required for their final semesters in their program of study at RBC.

COURSE LOAD

RBC degrees require fifteen credit hours per semester for completion within the regular time frame. Students should note that they risk scheduling conflicts if they enroll in classes out of order.

Students who enroll in twelve or more credit hours are considered full-time, while those who enroll in fewer than twelve are considered part-time. Enrollment in more than eighteen credit hours is allowable upon approval from the vice president of academics.

AUDITORS

Registration for auditors begins on July 1 for the fall semester and December 8 for the spring semester. Auditors may listen to class lectures and discussions if space permits. Auditors should defer to the interests of credit-seeking students. Ordinarily, students may not audit language courses.

ADD/DROP & WITHDRAWAL PERIODS

The add/drop period follows initial registration. During this period, students may make class schedule adjustments or change a course status from audit to credit. Students may add, drop, or change the status of a course without academic consequence during the add/drop period only. A student may add, drop, or change a course with the approval of the student's advisor and the course instructor. Respective deadlines for the on-campus or online add/drop periods are indicated on the academic calendar. Failure to attend a class does not constitute a drop. Students must request an add/drop form from the Registrar's Office.

Enrollment

After the add/drop period has ended, the standard course withdrawal period begins. During the standard course withdrawal period, students must request a course withdrawal form from the Registrar's Office. A student may withdraw from a course with the approval of the student's advisor and the course instructor. Any withdrawals made during the standard course withdrawal period receive a grade of "W" on a student's permanent academic record or transcript. A grade of "W" indicates that the student withdrew from a class with no effect to the student's GPA and no credit earned. The deadline of the standard course withdrawal period is indicated on the academic calendar.

The late course withdrawal period begins after the standard course withdrawal period has ended, as indicated on the academic calendar. Any course withdrawal forms submitted during this period are considered late and are subject to a grade of "W" or "F" assigned at the instructor's discretion. Withdrawals are not allowed during the final two weeks of classes, except for medical reasons and with approval by the vice president of academics.

CANCELLATION OF COURSES

RBC reserves the right to cancel any course scheduled to be offered during a given semester.

WITHDRAWAL FROM RBC

Students who want to withdraw from RBC are required to submit a completed institutional withdrawal form to the registrar's office and complete an exit interview.

RBC will not process a college withdrawal for personal, non-medical reasons during the last two weeks of classes for the semester. Students who withdraw will be assessed on their academic standing in each of their courses at the time of their withdrawal and will receive the same notation as a student withdrawing from an individual course.

RBC reserves the right to administratively withdraw students who are no longer active.

ACADEMIC STANDING

RBC reviews every student’s academic standing at the end of each semester.

Each RBC student is categorized into either good standing or probationary standing. Students may use their grades and cumulative GPA issued at the end of each semester to determine their academic standing or request a report on their academic standing from the registrar’s office.

GOOD STANDING: Students are considered to be in good academic standing when their GPA, both in the given grading period and in the cumulative total, is at least a 2.0 on a four-point scale.

PROBATIONARY STANDING: Students are considered to be in academic probationary standing when their GPA, either in the given grading period or in the cumulative total, is lower than a 2.0 on a four-point scale.

ACADEMIC LISTS: RBC honors full-time students who have demonstrated a high level of academic performance in a given semester. Based on their semester GPA and grades, full-time students may receive one of the following honors:

President’s List: Students awarded the honor of placement on the RBC President’s List must receive a semester GPA of 4.0.

Dean’s List: Students awarded the honor of placement on the RBC Dean’s List must receive a semester GPA of 3.55–3.99 with no grade lower than a C.

ACADEMIC PROBATION: A student is placed on academic probation when his/her GPA falls below 2.0 on a four-point scale either in a given grading period or in the cumulative total. Such students must achieve at least a 2.0 within the subsequent fifteen hours of coursework.

ACADEMIC SUSPENSION: Students who do not satisfy the conditions to be restored from academic probation face suspension from RBC for one academic semester.

Students may appeal their suspension by petitioning the academic review panel for consideration of special circumstances. Students should submit their petition to the college at least two weeks prior to the start of term. Students whose appeal is sustained or who return from suspension will be placed on academic probation for the subsequent fifteen credit hours.

Academic Policies

ACADEMIC DISMISSAL: Students who do not satisfy the conditions needed to be restored to good standing during the time frame prescribed above will be dismissed from RBC. Students may appeal the dismissal by petitioning the academic review panel in writing for consideration of special circumstances. Students should submit their petition to the college at least two weeks prior to the start of term. Students whose appeal is sustained will be placed on either academic probation for fifteen credit hours or suspension at the discretion of the academic review panel.

CLASS ATTENDANCE

Class attendance is required. Students with more absences than there are credit hours for the course will fail the course.

RETKING COURSES

Courses in which a student receives a grade of “F” must be retaken in order to meet graduation requirements.

Courses in which the student receives a grade in the “D” range are encouraged to retake the course and may be required to in order to graduate. A student who receives a “D” range grade in any language course must retake the course to continue to the next level.

Students may retake courses in which they received a “C” range grade in order to raise their GPA. Students who receive a grade of “C” in the first year of a language course are advised to improve their proficiency in the language before taking additional courses in that language.

Courses in which the student receives a grade in the “B” range or higher cannot be retaken.

In the event that a course is retaken, the previous course grade remains on the transcript with the most recent course grade, but only the highest course grade will be counted toward the

student’s cumulative GPA. Following the completion of the retaken course, retaken courses are marked with an “(R).”

EXTENSION FOR INCOMPLETE COURSEWORK

In the event that a student is unable to complete a course according to the academic calendar, an incomplete (“I”) grade may be given by the professor.

Students must secure their professor’s written approval for an incomplete grade prior to the final day of class. Students approved for an incomplete grade must submit their final coursework to professor within five weeks from the end of exam week.

If the deadline passes without record of coursework submission, the registrar has authorization to change the grade from incomplete (“I”) to a failing grade. The student and professor will be notified of all changes of grade.

LANGUAGE PROFICIENCY EXAMINATIONS

Students may request to test out of first-level language courses via in-person exams scheduled on the Monday before the first week of classes. Each exam is handwritten, paper-based, and includes an academic integrity pledge. Passing thresholds differ by language, and results are emailed within 24–78 hours. Exams focus on grammar, vocabulary, translation, and parsing, with limited resources permitted. Students are encouraged to register for entry-level courses, and placement outcomes will indicate any necessary changes to their registration.

TRANSFER OF CREDIT

TRANSFER OF CREDIT FROM RBC TO ANOTHER INSTITUTION: Students who want to transfer credits earned at RBC to another institution should understand that the decision to accept credits earned at RBC is at the discretion of the receiving institution.

Academic Policies

TRANSFER OF CREDIT FROM ANOTHER INSTITUTION TO RBC: Full or partial transfer of credits earned at another institution is at the discretion of RBC. For coursework to be considered for transfer credit, students must have earned a grade of “C” or above.

Applicants who want to transfer credits earned from an undergraduate program at another institution must communicate to the Admissions team their intention to transfer credit and must submit both an official transcript and course syllabi to the registrar’s office. RBC will consider CLEP and AP credits for transfer. Those transferring credit must take at least the final thirty credit hours at RBC.

Students who want to take and transfer credits from another institution while enrolled at RBC must comply with the following procedure: Before taking a course, a student must contact the registrar’s office for approval of transfer. Transfer approval for credit not yet received is always contingent on satisfactory completion of the credits. If a transfer request is approved, a student must have an official transcript sent to the registrar’s office within two months of completing the coursework.

TRANSCRIPT REQUESTS

RBC provides students and alumni with secure, efficient access to academic transcripts, offering delivery via digital or physical mail. Students can request their official transcripts through Populi or by contacting the registrar’s office. There is a \$10 fee for official transcript requests. Transcripts are issued only after a student has settled all financial obligations. Official transcripts can only be mailed to another institution. Official transcript shipments include tracking numbers to ensure the requester can monitor delivery status. RBC also offers access to unofficial transcripts for former students and alumni through Populi.

All graduates of certificate and degree programs are automatically members of the RBC alumni association.

GRADUATION REQUIREMENTS

ACADEMIC REQUIREMENTS: Academic requirements include completing all credit and course requirements, earning a cumulative GPA of 2.0 or higher on a four-point scale.

All coursework must be completed by the last day of final exams. Failure to do so may result in forfeiting the privilege of graduation until the following academic year.

NON-ACADEMIC REQUIREMENTS: Non-academic requirements for graduation include continued compliance with the student standards of faith and conduct. All outstanding financial obligations to RBC must be satisfied before a student can receive a diploma and have transcripts released.

Eligible seniors may request to participate in commencement exercises before completing all required credits. To qualify, a student must have six or fewer remaining credits, be able to complete them immediately after commencement (either in the summer term or fall semester), maintain a minimum 2.5 GPA, be in good standing, meet all other graduation requirements, and satisfy all financial obligations. Early participation also requires faculty approval. Participation in commencement does not constitute graduation, and the degree is awarded only upon completion of all remaining coursework.

INTENT TO GRADUATE

Students are responsible to ensure that they are on track to complete all academic requirements before graduation. Students must submit the form expressing their intent to graduate and pay their graduation fee by March 1.

Academic Policies

Participation in commencement exercises is a privilege and requires faculty approval. Appropriate academic regalia is supplied by RBC.

GRADUATING HONORS

Students who have achieved a cumulative GPA of 3.55 graduate with *cum laude* honors; a cumulative GPA of 3.75 qualifies the student for *magna cum laude* honors; and a cumulative GPA of 3.90, with faculty review and approval, qualifies the student for *summa cum laude* honors. Honors will appear on transcripts and on the student's diploma.

POST-GRADUATION

From time to time, RBC receives notice of vocational opportunities for students and graduates. Graduates should recognize that possession of an RBC degree does not in itself constitute certification of the abilities for a given vocational opportunity. Employers, ecclesiastical authorities, and licensing bodies determine an individual's fitness for a particular opportunity in light of a range of criteria that may go beyond the individual's education.

PRIVACY POLICY

Reformation Bible College's privacy policy applies to all students and prospective students, referred to collectively as "students." While we are not obligated to the Family Educational Rights and Privacy Act of 1974, RBC is committed to following best practices concerning the privacy rights of students in regard to their educational records.

STUDENT POLICY: Students may inspect their educational records within forty-five days of a written request; some exceptions may apply at the discretion of the RBC administration. RBC reserves the right for such a review to be in person and on campus. The educational record remains the property of RBC.

RBC will retain a student's educational record for seven years and securely stored. After seven years, the physical record will be destroyed. All digital student education records are retained permanently.

Students who believe their educational record to be inaccurate may discuss the issue with the RBC administration. The RBC administration will evaluate all such requests and determine a suitable course of action. In the event of any such complaint, the student will be granted the option to include a note expressing their perspective on the record. The note will remain part of the student's educational record.

Admissions

Prospective students are invited to apply for admission to Reformation Bible College.

ADMISSION REQUIREMENTS

Applicants to RBC are evaluated based on a number of factors, including educational background, intellectual achievement, and personal and spiritual maturity. Reformation Bible College is committed to providing a respectful environment free of discrimination, unlawful harassment, and other unbiblical conduct. RBC does not discriminate against applicants or students on the basis of race, color, national and ethnic origin, sex, age, or disability in the administration of its policies, practices, programs, activities, and procedures.

Before enrolling at RBC, all applicants are required to successfully complete a high school program (public, private, or homeschool, or its equivalent) with a grade-point average of at least 2.5, or provide proof of successful completion of the GED along with GED test scores.

A select number of applicants who do not meet these academic requirements may be granted provisional admission with an academic review upon completion of a minimum of twelve credits to determine if the applicant should be granted full admission to continue in the program. Provisional acceptance is not granted to RBC's Accelerated Degree programs.

Applications for admission will not be reviewed until all information is received. Official transcripts are not accepted from prospective students until after the fall semester of the student's junior year of high school or its equivalent.

A decision for on-campus admission is based on a review of the following documents submitted in the application process:

- A complete online application
- 1–2-page Christian testimony essay
- Official high school or college transcripts
- Academic reference
- Church reference
- 4–6-page writing sample

International applicants applying for on-campus admission must also request a transcript evaluation to be completed by an outside evaluation agency. The Admissions team will provide a list of recommended agencies.

The admission process for students pursuing online credit differs from the on-campus process and is based on a review of the following documents:

- A complete online application
- 1–2-page Christian testimony essay
- High school or college transcripts
- Church reference

Admission decisions for all students are based on the overall review of the admission packet rather than individual pieces alone. We desire for all students accepted at RBC to be successful in completing their programs and to graduate.

March 1: Fall Early Application Deadline

March 1: Priority Scholarship Application Deadline

May 1: Fall Regular Application Deadline

September 1: Spring Early Application Deadline

November 1: Spring Regular Application Deadline

May 1: Fall Enrollment Deposit Deadline

November 1: Spring Enrollment Deposit Deadline

Scholarships for both entering and returning students include awards for veterans, essay contest winners, academic merit, financial need, and named scholarships. A full list may be requested from the Admissions Office. Scholarships are awarded as funds are available.

NON-DEGREE SEEKING STUDENTS

Non-degree seeking students fall into two categories: (1) applicants not enrolled in undergraduate programs at other institutions but who would like to take courses without seeking to complete a program of study at RBC, and (2) applicants who would like to take classes while in undergraduate programs at other institutions or while enrolled in high school.

Applicants both enrolled and not enrolled in undergraduate programs at other institutions must apply for admission, following the standard application procedure. All such non-degree seeking students who want to register for more than twelve credit hours must submit a written petition to the registrar's office for review and approval.

Applicants who are still enrolled in high school must apply for admission as a dual-enrolled student. All dual-enrolled applicants must be a high school student and be a minimum of 16 years of age as of the date of the beginning of the class. Dual-enrolled students are eligible for one tuition-free course per semester until high school graduation, for a maximum of four courses. If accepted, they may, without matriculating into a program at RBC, take additional courses at the normal tuition rate. To enroll in a certificate or degree program at RBC, normal standards of admission apply. If a dual-enrolled student is interested in transferring RBC credit to another institution, it is the student's responsibility to ensure that the courses they are taking at RBC will transfer.

ADMISSION STATUS

Once an applicant has satisfied all requirements for applying for admission, the admissions committee will review his or her application. This evaluation will result in one of four decisions: full admission, provisional admission, being placed on the wait list, or denial.

FULL ADMISSION: The candidate is admitted as a student without any provisional status.

Admissions

PROVISIONAL ADMISSION: The applicant is admitted as a student under provisional status. Provisional status may be the result of several different factors. An applicant accepted on provisional status due to academic concern will have his or her academic performance reevaluated after the completion of a minimum of twelve credits of course work. If the student's academic performance is satisfactory, he or she will then be granted full admission.

WAIT LIST: The applicant is granted admission but not for the academic term originally requested. The wait-listed candidate will not be required to resubmit application documents before enrolling at RBC.

DENIAL: The applicant is denied admission to the college. In some cases, RBC may suggest that the applicant undertake additional academic preparation at another institution before reapplying in order to demonstrate his or her readiness for studies at RBC. Applicants who have been denied are eligible for reconsideration after one year from the date of admission review. Students applying for reconsideration must submit a new application and documents required for standard admission.

ENROLLMENT DEPOSIT

Once a student is accepted for on-campus study at RBC, a \$300 enrollment deposit must be received no later than the regular application deadline.* Students accepted after this deadline will be asked to submit their deposit two weeks after they are accepted and before registering. The deposit is applied to the applicant's tuition for the first semester but is not refundable in the event that the student does not enroll in courses at RBC.

*Students should be aware that as space is limited, class seats cannot be guaranteed until the enrollment deposit is received and class registration is complete.

TRANSFER OF CREDIT FROM ANOTHER INSTITUTION

Full or partial transfer of credits earned at another institution is at the discretion of RBC. For coursework to be considered for transfer credit, students must have earned a grade of C or above.

Applicants who want to transfer credits earned from an undergraduate program at another institution must communicate to the Admissions team their intention to transfer credit and must submit both an official transcript and catalog course descriptions to the registrar's office. RBC will consider CLEP and AP credits for transfer. Those transferring credit must take at least the final thirty credit hours at RBC.

Students who want to take and transfer credits from another institution while enrolled at RBC must comply with the following procedure: Before taking a course, a student must submit a written request for approval of transfer. Requests must be submitted to the registrar's office. Transfer approval for credit that has not yet been received is always contingent on satisfactory completion of the credits by earning a letter grade of C or above.

ADVANCED STANDING

Students entering RBC who would like to take proficiency exams in Hebrew, Greek, or Latin to earn advanced standing credit in their chosen degree specialization must submit a written petition to the registrar's office.

Admissions

TOEFL AND TWE SCORES

Any applicant whose primary language is not English may be required to submit TOEFL (Test of English as a Foreign Language) and TWE (Test of Written English) scores, or they may be required to submit Duolingo scores. Applicants must achieve a combined TOEFL and TWE score of no less than 76 or a Duolingo score of no less than 100.

INTERNATIONAL (NONIMMIGRANT ALIEN) STUDENTS

Reformation Bible College has been granted Student and Exchange Visitor Program (SEVP) certification. This means that RBC is authorized by the U.S. federal government to enroll nonimmigrant alien students for on-campus study in Central Florida.

Prospective international students must apply to RBC and be accepted. Once they receive their acceptance and pay their \$2,000 enrollment deposit, they will receive a Form I-20 Certificate of Eligibility. They will then need to apply for an F-1 student visa. Students from Bermuda or Canada are not required to have an F-1 visa to enter the United States, although they must still receive a Form I-20 Certificate of Eligibility from RBC. In addition to the standard RBC admission requirements, prospective international students will be asked to submit an affidavit of financial support, a health history form, and proof of U.S. health insurance. Additional information about registration for international students can be found under the Admissions section of RBC's website.

Past due accounts are subject to a 2.5 percent finance charge per month on any past due or outstanding balances. Financial obligations must be met for grades and transcripts to be released. Students are expected to make payments on time. Students who do not comply with RBC's financial agreement may be subject to disciplinary action such as warning, judicial review, or administrative withdrawal.

up to \$100 and out-of-state visitors may be reimbursed up to \$300. Travel reimbursement will be applied to the student's second-semester tuition. All original travel receipts must be submitted to apply. Approval of travel reimbursement is at the discretion of RBC administration and must be given prior to travel.

On-Campus Tuition and Fees

TUITION REFUND POLICY

Students who withdraw from individual courses resulting in part-time status, or who withdraw completely, receive a tuition refund based on the chart below:

WEEK OF CLASS	REFUND PERCENTAGE*
1-2	100
3	75
4-6	50
Beyond 6 weeks	0

*Percentage is based on tuition less the \$300 nonrefundable enrollment/registration deposit.

A part-time student who changes from credit to audit after the first week will receive a refund based on his or her tuition charges. Audit fees will still apply. If a student received scholarships or payment deferral and completely withdraws, it is possible that they will owe money to the institution. Refunds pertain to tuition alone. Semester fees are nonrefundable.

Any payments received from a third party will be refunded as directed by the granter.

Campus and Housing

CAMPUS

The campus of Reformation Bible College consists of three buildings around a quadrangle and pond, alongside the campus of Ligonier Ministries and Saint Andrew's Chapel. RBC's campus is intentionally designed for students to pursue academic excellence, foster community, and host events, activities, and conferences.

Our campus consists of the RBC administration building, Founders Hall, and the residence hall.

We ask students to be good stewards of the RBC campus and be respectful of both the Ligonier office buildings and the facilities of Saint Andrew's Chapel.

RBC's campus is accessible from three airports: Orlando International Airport (MCO), Orlando Sanford International Airport (SFB), and Daytona Beach International Airport (DAB).

ON-CAMPUS HOUSING

Incoming first-year freshmen will reside in on-campus housing unless granted an exemption or unless full. Housing applications will be sent to qualified students through the RBC Housing Committee. Any student desiring to live off campus for their freshman year must receive an exemption from the RBC director of operations.

Exemptions are given to:

1. Married students
2. Students living with parents, legal guardians, or relatives within 50 miles of campus
3. Students 22 years old or older by the first day of classes
4. Students under 18 years old as of move-in day
5. Students who are part-time (enrolled in fewer than 12 credit hours)
6. Students who have completed 60 college credit hours by the first day of classes

Exemptions are occasionally given to students who do not meet any of the above criteria, but these exemptions are rare.

Students 25 years old and older are not allowed to live in the residence hall. The majority of RBC students will be required to find local housing arrangements after their freshman year.

OFF-CAMPUS HOUSING

Students not required to live on campus are responsible for securing their own housing arrangements for the duration of their studies at RBC. Several apartment complexes are located within one to four miles of the RBC campus. RBC strongly encourages students and their families to visit the Sanford-Orlando area to explore their options directly. Please see the office of the director of enrollment strategy for more information.

Scholarships

SCHOLARSHIPS

Limited scholarships are available to help offset the cost of tuition. Students may apply for scholarships on a yearly basis. All awards are offered at the discretion of the scholarship committee. Scholarship funds will be distributed throughout the academic year, beginning in the fall semester. Scholarship amounts, requirements, and renewal processes may vary. Students who begin in the spring semester are eligible to apply for scholarships.

A GPA of 3.0 must be maintained to retain a student employment position. Employee positions are limited. Student employees are limited to no more than twenty hours of work per week.

Student Standards of Faith and Conduct

STANDARD OF FAITH

All students of RBC are required to affirm the following statement of faith:

The Scriptures of the Old and New Testaments (excluding those books commonly called the Apocrypha) are the Word of God written, given by inspiration of God to be the infallible and inerrant rule of faith and life.

There is one God, eternally existent in three persons: the Father, the Son, and the Holy Spirit.

Our Lord Jesus Christ is God and man in one person. He was born of a virgin, lived a sinless life, performed miracles, and vicariously atoned for sin through His shed blood and death. He was bodily resurrected from the dead. He ascended to the right hand of God the Father and will personally return in power and glory.

Regeneration by the Holy Spirit is absolutely essential for the salvation of sinners.

God justifies sinners on the basis of Christ's righteousness alone. Christ's righteousness is imputed to sinners by grace alone and is received by faith alone.

Eternal life is received by faith; that is, by receiving and resting upon the Lord Jesus Christ alone for salvation.

The Holy Spirit indwells all true believers and enables them to live godly lives.

Christ has established a visible church, which is called to live in the power of the Holy Spirit under the regulation of the authority of Holy Scripture, preaching the gospel of Christ, administering the sacraments, and exercising discipline.

As the only head of the church, Christ has ordained only two sacraments, or ordinances, for the church: baptism and the Lord's Supper.

There is spiritual unity of all true believers in our Lord Jesus Christ.

Both the saved and the lost will be resurrected from the dead; those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.

Students acknowledge their understanding of and agreement with these essential truths, which are vital to the gospel. If at any time a student can no longer affirm and agree with the Standard of Faith while at RBC, the student must inform the vice president of academics or another administrator.

Student Standards of Faith and Conduct

STANDARD OF CONDUCT

Students are required to conduct themselves both as maturing Christians who are active in the church and as good citizens. Student conduct is under the supervision of the RBC administration. RBC's standard of conduct for students presupposes that they are in good standing in their congregations. If, at any time, RBC becomes aware that a student's congregational standing is subject to question, RBC reserves the right to review the situation with the student, his or her parents or guardians, and appropriate parties and to withhold enrollment, if necessary, until the matter is resolved.

RBC also reserves the right to dismiss a student whose conduct is found to be in violation of the moral, spiritual, and ethical principles of Scripture as interpreted by the consensus of the historic Reformed confessions as taught in the Three Forms of Unity, the Westminster Standards, and the 1689 Baptist Confession of Faith.

RBC further reserves the right to take action beyond dismissal as it may deem necessary.

This catalog documents the governing requirements and policies for the 2026–2027 academic year. RBC reserves the right to modify this catalog, amend, or terminate any policies or procedures, whether or not described in this catalog, at any time.

“RBC is a community where the Lord is honored above all, there is a deep love for the truth, and you are daily encouraged to grow in holiness.”
