SOFTWARE DEVELOPER

The Software Developer is part of the IT team that supports Pagliacci Pizza. We are looking for a talented and motivated individual who is passionate about technology and eager to contribute to the success of our brand by developing innovative software solutions.

Position is based out of the Pagliacci office at 423 E Pike Street.

REQUIRED SKILLS & QUALIFICATIONS:

- .NET, C#, web-based languages and tools, SQL Server, Azure, Microsoft toolset
- 3 years of development experience with Microsoft tools, including Azure
- Excellent written and verbal communication skills

WAGE & BENEFITS:

- Starting wage range: \$40-\$60/hour DOE
- Position wage range: \$40-\$60/hour
- PTO accrues at a rate of 1 hour for every 30 hours worked
 - PTO accrual rate increases after 1 year of continuous employment
- Medical, dental, and vision insurance available after 60 days
- 401k with company match after 1 year of employment
 - Company will match 100% of the first 3% and 50% of the next 2% an employee chooses to defer
- 10 paid holidays a year
- Employee discount. 25% first 90 days of employment, then 50% off after 90 days
- Position is based out of the Pagliacci office but can be partially remote

DUTIES:

- Must have some overlap in hours with the Software Architect
 - Sunday through Thursday. Afternoon start into evenings preferred.
- Work with the IT team to maintain the reliability and security of corporate data hosted within the company's local and cloud-based systems
- Work with users to understand their technology needs and implement tools with those needs in mind
- Provide data, reports, and information tools that assist employees in doing their jobs efficiently
- Work independently and with other team members to complete projects while regularly reporting the status of those projects
- Implement new software systems and maintain legacy code for existing in-house tools
- Write technical documentation and end-user support materials

APPLY BY AUGUST 31 TO: Tim Patrick (Software Architect) at timp@pagliacci.com
