

Art Access Group Reservation Scholarship Application

The Crocker Art Museum’s Art Access program ensures that the Museum is accessible to community groups in the Sacramento region. The Art Access Group Reservation Scholarship Program is for guided or non-guided visits to the Museum. Due to tour capacity, applications for visits scheduled June through September and December through February are most likely to be approved.

To apply for scholarship funds please fill out this application and return it to the Museum at least six weeks prior to the first preferred tour date. The Crocker’s Education Department will contact the applicant within seven days of receipt.
