Vocational Education & Training in Schools - Funded by the Queensland Government

Vocational Education and Training in Schools (VETiS) is the delivery of nationally recognised qualifications to school students and may be funded by the Queensland Government VET investment budget as fee-free for students.

HLT23221 Certificate II in Health Support Services is a VETiS program funded by the Queensland Government.

The VET investment budget provides funding for students to complete one Certificate I or II employment stream qualification listed on the [Priority Skills List](#) while at school. Further information can be found on the Department of Employment, Small Business Training website: <https://desbt.qld.gov.au/training/training-careers/incentives/vetis>

Student Fees

Connect 'n' Grow[®] does not invoice student's directly. The school is invoiced per participant which may be included in your school fees. Students undertaking the HLT23221 Certificate II in Health Support Services or CHC22015 Certificate II in Community Services may be eligible for funding from the Queensland Government.

Photography by Connect'n'Grow[®]: Upon enrolling in our programs, implied consent is granted for course (class) related photography & publicity (e.g. posting on our social media platforms) unless otherwise notified by the student or parent by email: admin@connectngrow.edu.au. Students are given further opportunities to opt out of photographs during their program induction and with each occurrence of a Connect 'n' Grow[®] school visit.

Guarantee of Service: If Connect'n'Grow, or any party delivering training and assessment on its behalf, closes or ceases, resulting in default to deliver any part of the training product the learner is enrolled in, Connect'n'Grow will

- provide a Statement of Attainment for the units of competency successfully completed, and
- identify an alternative provider for the learner, and
- provide a refund for any fees collected relating to units not yet completed

Privacy: Your child's personal information is collected at enrolment as required by law. Without this information, we are unable to enrol a student. Please see our Privacy Statement have been included at the end of the letter.

Consent: As this program is delivered in partnership with the School, upon enrolling implicit consent is granted for your child to complete the course (class). The School Program Manager acknowledges consent for students enrolling into the Program and confirms whether the student has chosen to use their VETiS funding for this course or has opted to pay a course fee which is then invoiced to you by the school.

If you have any questions or would like further information about our Programs, please speak with your school VET Coordinator, or contact Connect 'n' Grow[®] through our website www.connectngrow.edu.au or via email admin@connectngrow.edu.au.

Yours sincerely

Matt Rattray, General Manager
