

School Program Information

Program Fee

There is a yearly Program Fee of \$1,650 and this is invoiced the start of term 2.

Health Training Kit

A health consumables training kit is ordered and delivered prior to the start of the school year. This is approximately \$2000 and is dependent on student numbers. It is the school's responsibility to maintain the consumables.

Facilities

Minimum facilities to deliver the course include: access to hand washing facilities and a multi-purpose floor.

Online Platform

We use Canvas as our online Learning Management System (LMS).

Professional Development & Industry Day

Professional development days are run for our trainers in term 1 and term 4. This provides teachers with VET and Industry currency. There is no cost for these days.

Teacher Requirements

TAE40122 Certificate IV in Training & Assessment or TAESS00011/TAESS00019 Assessor Skill Set or TAESS00024 VET Delivered to School Students Teacher Enhancement Skill Set Assessment. Trainers complete a Teacher Accelerated Program (TAP) for the qualifications.

Incursions

Our Certificate II Programs delivered under the Skills Assure Supplier Agreement are delivered by Connect 'n' Grow® Expert Health Trainers (EHT). Incursions are booked online for term 1, 2 and 3.

Hands up for Health

46-60 minute complementary information session on our programs which includes fun and engaging activities for students.

Subject Selection/Careers Expos

Connect 'n' Grow® is available to attend your school to provide information at your year 10 subject selection and careers expos.
