STAY ALERT AND ON SCHEDULE

ECCO keeps the agriculture industry plowing forward with a variety of safety solutions designed to protect workers and make your job a bit easier. A wide selection of lighting products makes equipment visible on the road during harvest season and illuminates the task at hand in those early morning hours. Upfit your harvester with a camera system to eliminate blind spots and monitor operations. Find the right solution to give your productivity a boost all season long.

With products that are easy to install and built to last, ECCO has been a trusted name on family farms to large-scale corporate operations for over 48 years. We are proud to serve our hard-working customers who put food on our table and share our values of safety, simplicity and reliability.

MANTÉNGASE ALERTA Y A TIEMPO

ECCO mantiene la industria agrícola avanzando con una variedad de soluciones de seguridad diseñadas para proteger a los trabajadores y facilitar un poco el trabajo. Una amplia selección de productos de iluminación hace que el equipo sea visible en la carretera durante la temporada de cosecha e ilumina la tarea en cuestión durante la mañana. Modernice su cosechadora con un sistema de cámaras para eliminar los puntos ciegos y monitorear las operaciones. Encuentre la solución adecuada para aumentar su productividad durante toda la temporada.

Gracias a productos fáciles de instalar y de diseño duradero, ECCO ha sido un nombre de confianza tanto en las granjas familiares como en operaciones corporativas a gran escala por más de 48 años. Estamos orgullosos de servir a nuestros clientes trabajadores que ponen los alimentos en nuestra mesa y comparten nuestros valores de seguridad, simplicidad y confiabilidad.

RESTEZ VIGILANT ET DANS LES DÉLAIS

ECCO permet à l'industrie agricole de continuer à aller de l'avant avec une variété de solutions de sécurité conçues pour protéger les travailleurs et faciliter votre travail. Une vaste sélection de produits d'éclairage rend l'équipement visible sur la route pendant la saison des récoltes et éclaire la tâche à effectuer en tout début de matinée. Équipez votre récolteuse d'un système de caméra pour éliminer les angles morts et surveiller les opérations. Trouvez la solution adaptée pour améliorer votre productivité tout au long de la saison.

Grâce à des produits faciles à installer et conçus pour durer, ECCO est depuis plus de 48 ans un nom de confiance tant pour les exploitations familiales que les grandes entreprises agricoles. Nous sommes fiers de servir nos clients qui travaillent dur à mettre de la nourriture sur nos tables et qui partagent nos valeurs de sécurité, de simplicité et de fiabilité.

FEATURED PRODUCT EB7260 SERIES

MINI POLE MOUNT

ECCO's EB7260 Series LED Beacon produces a warning signal that is ideal for tractors and heavy equipment. The long, maintenance-free service life of LED technology, backed by a 5-year warranty, makes this a perfect replacement solution for existing strobe beacons. This cost-effective, SAE Class I or II light features 12-24V operating range that also makes it ideal for use on electrically powered vehicles as well.

La baliza LED de la serie EB7260 de ECCO produce una señal de advertencia que es ideal para tractores y equipos pesados. La larga vida útil de la tecnología LED libre de mantenimiento, respaldada por una garantía de 5 años, la convierte en una solución perfecta para las balizas estroboscópicas actuales. Esta luz rentable con clasificación SAE clase I o II, ofrece un alcance operativo de 12 a 24 V que también la vuelve ideal para su uso en vehículos eléctricos.

Le gyrophare à LED de la série EB7260 d'ECCO produit un signal d'avertissement idéal pour les tracteurs et les équipements lourds. La longue durée de vie sans entretien de la technologie à LED, soutenue par une garantie de cinq ans, en fait une solution de remplacement idéale pour les gyrophares stroboscopiques existants. Cet éclairage économique de classe SAE I ou II est doté d'une plage de fonctionnement de 12 à 24 V, ce qui le rend également idéal pour une utilisation sur les véhicules électriques.

FEATURED PRODUCT ED9215 SERIES

COMBO WORKLIGHT AND WARNING LIGHT

The ED9215 is ideal for mounting on bumpers or the grille. It produces 135° of coverage and features a powerful light to illuminate the job site. The intense white light is in the center and it is flanked by dual-color warning lights. Two Hide-A-LED™ warning lights are mounted at a 45° angle on each end to provide effective off-angle visibility. Be seen and get the job done safely with this all-in-one, directional lighting solution.

El modelo ED9215 es ideal para montarlo en parachoques o en la rejilla. Produce 135° de cobertura y cuenta con una potente luz para iluminar el sitio de trabajo. La intensa luz blanca está en el centro y está rodeada por luces de advertencia de dos colores. Dos luces de advertencia Hide-A-LED™ están montadas en un ángulo de 45° en cada extremo para proporcionar una eficaz visibilidad fuera del ángulo. Destáquese y realice el trabajo de manera segura con esta solución de iluminación direccional todo en uno.

Le modèle ED9215 est idéal pour le montage sur le pare-chocs ou la calandre. Il offre une couverture sur 135° et un éclairage puissant pour éclairer le chantier. L'éclairage blanc extrêmement éblouissant se trouve au centre et est flanqué de feux de détresse bicolores. Deux feux de détresse Hide-A-LEDMC sont montés à un angle de 45° à chaque extrémité pour offrir une bonne visibilité sans limites d'angle. Soyez visible et accomplissez votre travail en toute sécurité grâce à cette solution d'éclairage directionnel tout-en-un.
