

DIRECTIONAL LEDS

ED3777 SERIES

Multi-Mount

The ED3777 directional LEDs are bright and versatile 180° warning lights, with worklight and puddle light combinations that are suited to a wide variety of applications. Its low profile, narrow shape and multiple mounting options (surface, edge, self-adhesive and permanent) provide superior flexibility when positioning the lights for optimum warning capability.

Models

PART NO.	TYPE	ILLUMINATION COLOR OPTIONS	AMPS
ED3777X	Single-Color	A B G R W	1.3
