

WORKLAMPS

EW2402 SERIES LEDs

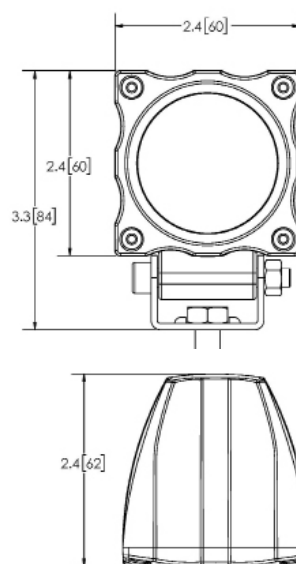

EW2400 Series worklamps offer not only the choice of spot or flood illumination, but they also offer the latest technology and the very brightest white light for your application. These LED worklamps provide over 80,000 hours of maintenance free life expectancy coupled with low amp draw. High intensity light output, IP67 intrusion protection, and CE rating makes this LED worklamp the ideal choice for a wide variety of applications. Features 12-24 VDC operation and a 3 year warranty.
