

## DIRECTIONAL LEDS

### ED5051VDL1

#### Deck, Dash & Visor Light

ECCO's low-profile ED5051VDL1 Deck, Dash and Visor Light delivers discreet warning wherever an interior light is needed in a work truck or any fleet vehicle. Permanently or temporarily mount the warning light with included brackets using suction cups, tape or screws. The dual-color LED lightheads are available in combinations of white and amber, red or blue colors, which are capable of producing 36 flash patterns including steady-burn. The cigarette plug adapter also includes a simple two-button controller. The removable shroud prevents unwanted flash back from the windshield.

#### Models

PART NO.	TYPE	AMPS	ILLUMINATION COLOR OPTIONS
ED5051VDL1-XX	Dual	1.7	

Replace X in part number with desired LED color: A = amber, B = blue, G = green, R = red, W = white
