

## LIGHTBARS

### 16 SERIES Compact, Low Profile

The 16 Series lightbar provides exceptional warning and off-angle performance with its single- or dual-color LEDs. At only 1.6 inches high, this discreet lightbar compliments the vehicle's roof line while delivering intense output with dozens of flash patterns. Engineered for easy installation and customization, choose from multiple lengths and configurations to meet the fleet's requirements.

#### Design Features

- Single- or dual-color options
- Lower lens available in clear or tint
- Integrated LED safety director
