### EB7800 SERIES

SAE Class I LED

ECCO's EB7800 Series LED Beacon produces a warning signal that is ideal for industrial applications. The long, maintenance-free service life of LED technology, backed by a 1-year warranty, makes this a perfect replacement solution for existing strobe beacons. This cost-effective light features 12V or 24V operating range that also makes it ideal for use on electrically powered vehicles and equipment.
