WORKLIGHTS

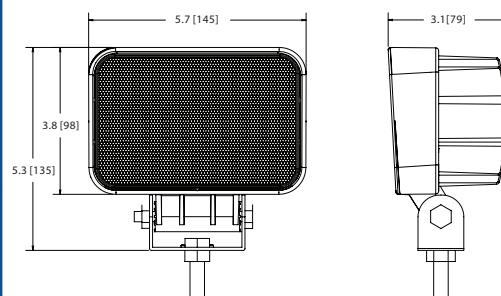

EW2501

Five 10-Watt LEDs

The EW2501 worklight offers the latest technology and the very brightest white light for your application. This LED model offers over 80,000 hours of maintenance free life expectancy coupled with extremely low amp draw. High intensity 2,900 lumen light output and IP67 intrusion protection makes this LED worklight the ideal choice for a wide variety of applications. Features 12-24 VDC operation, rugged housing and a 5-year warranty.
