

# WORKLIGHTS

## EW2320 SERIES

### Five 10-Watt LEDs

The EW2320 Series worklights offer the choice of spot or flood illumination and the ability to be linked together either horizontally or vertically to suit individual needs (E94011 connector sold separately). High intensity 2,400 lumen light output and IP67 intrusion protection make this an extremely robust, bright and flexible work area lighting solution.

#### Models

PART NO.	VDC	TYPE	RAW LUMENS	AMPS
