# WORKLIGHTS

## EW3006 SERIES

### Six 3-Watt LEDs

The EW3006 Series worklight offer the latest technology and the very brightest white light for your application. This LED model offers over 80,000 hours of maintenance-free life expectancy coupled with extremely low amp draw. High-intensity light output and CE rating makes this LED worklight the ideal choice for a wide variety of applications. Features 12-24 VDC operation, a choice of flood or spot beams, rugged housing and a 5 year warranty.
