

INTERIOR LIGHTING

EW0200 SERIES

Mounts with High-Bond Tape / Screws

The EW0202 & EW0203 LED courtesy light is perfect for passenger compartment, sleeper cab and small interior compartment illumination. The EW0206 Series license plate light offers the latest technology and the very brightest white light for your application. Designed for DOT vehicles working in inclement weather, this LED model offers over 80,000 hours of maintenance-free life expectancy coupled with low amp draw. High-intensity light output and CE rating makes this LED worklamp the ideal choice for a wide variety of applications.
