

DIRECTIONAL LEDS

ED5101 SERIES Corner LED Light

ECCO's ED5101 Series Corner LED features a unique, angled design that delivers 270° of amber warning from a single light. The universal surface mount bracket allows for a variety of mounting applications on the front, side and rear of any work truck, tow truck, utility vehicle, refuse truck or commercial vehicle. When mounted to the front and rear, the Corner LED Light delivers 360° of warning. The ED5101 offers 69 flash patterns to choose from, dual-color options like amber/white, aluminum heatsink housing and an industrial-grade polycarbonate lens for maximum durability.

Models
