WORKLIGHTS

EW4008 SERIES

Pair of LED DOT Worklight

The EW4008 Series worklight offers the latest technology and the very brightest white light for your application. Designed for headlight replacement, as well as vehicles working in inclement weather, this LED model offers over 60,000 hours of maintenance-free life expectancy coupled with low amp draw. High-intensity light output and CE rating makes this the ideal choice for a wide variety of DOT applications. Additional features include 12-24 VDC operation, shock-resistant mounting, IP67 waterproof breather and a 5 year warranty.
