

WORKLIGHTS

EW2461 SERIES

Rechargeable LED Worklight

ECCO's EW2461 Series rechargeable LED magnetic worklight is a high intensity flood beam, powered with a heavy duty battery that combines mobility with high performance and a compact design. The long-life, lithium rechargeable battery allows the worklight to be operated for 3-4 hours before recharging is required. Each light comes with its own USB Type C charging cord and wall plug.

Models

PART NO.	TYPE	LUMENS (RAW)	MOUNT
EW2461	Flood	650	Magnet
EW2461-CAMO	Flood	650	Magnet
EW2562	Flood	600	Magnet
