

WORKLIGHTS

EW2411

Six 3-Watt LEDs

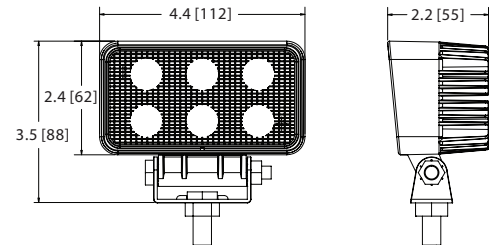

The EW2411 worklight offers the latest technology and the very brightest white light for your application. This LED model offers over 80,000 hours of maintenance free life expectancy coupled with extremely low amp draw. High intensity light output and IP67 intrusion protection makes this LED worklight the ideal choice for a wide variety of applications. Features 12-24 VDC operation, flood beam, rugged heatsink housing, polycarbonate lens, and a 5-year warranty.
