7160 SERIES REFLEX® HEAVY-DUTY LED

The 7160 Series Reflex® LED beacon provides the ultimate level of power, versatility and style available in an LED beacon. The latest high intensity LEDs combined with reflector technology produce a powerful, SAE Class I/Cal Title 13, warning signal in a light that also offers premium features including 23 flash patterns, hi/lo intensity control and synchronization capability. Low amp draw, zero maintenance make this light an obvious choice to replace strobe or rotating lights.
