

BEACONS

6550 SERIES SAE Class II Strobe

ECCO's 6500 Series strobe light offers outstanding value when a cost-effective SAE Class II light is required. Featuring a shock-resistant five-point power supply mounting and robust reinforced polypropylene base, this beacon is suitable for both on- or off-highway applications. Thread-on polycarbonate lens and snap-fit flashtube allow easy field service without tools.

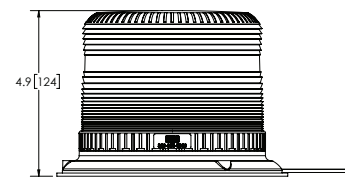

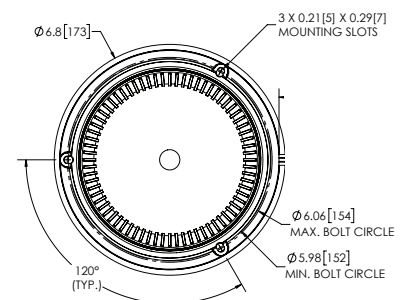

Models

PART NO.	MOUNT	LENS COLOR	FLASHTUBE COLOR
6550X	3 Bolt Flange / 1" Pipe	■ A ■ B ■ C ■ G ■ R	■ C

Replace "X" in part number with desired color: A=amber, B=blue, C=clear, G= green, R= Red
Add "-VM" mounting extension to end of model for vacuum-magnet mount

Design Features

- 12-48 VDC, 2.4 Amps, 80 FPM
- Robust reinforced polypropylene base
- Thread-on polycarbonate lens and snap-fit flashtube allows easy field service
- Shock-resistant circuit board mounting incorporates 5 support points
- Consistent operation during voltage and temperature changes
- Temperature Range: -22°F to +122°F (-30°C to +50°C)
- Warranty: Strobe = 1 year / Flashtube = 6 months

Accessory & Replacement Parts

- Flashtube: R6501FT
- Lenses:
 - Amber - R6050LA
 - Blue - R6050LB
 - Clear - R6050LC
 - Green - R6050LG
 - Red - R6050LR
