

LIGHTBARS

11 SERIES REFLEXL®

Narrow LED Lightbar

The 11 Series ReflexL® is ECCO's most compact and low-profile warning lightbar yet. This sleek lightbar offers rugged durability with its polycarbonate lens and aluminum frame. Designed to be mounted permanently with included mounting feet, on an optional headache rack or temporarily with magnetic mounting options, the ReflexL® provides discreet and powerful warning for any vehicle application. Available in single-color or in dual-color options supporting up to 91 flash patterns, this LED lightbar equips your vehicle with the versatility needed to get the job done — the perfect fit for any tow truck, work truck, or utility vehicle where compact warning is essential.
