

Follow-up Message after No Response

LinkedIn Message

Hi [Name],

Just wanted to follow up on my note from last week in case it got buried. I'd still love to connect if you have a few minutes — no worries at all if the timing isn't right.

Thanks again,

Hi [Name],

I wanted to follow up on my message from [date or "last week"] in case it slipped through. I completely understand if your schedule is full — if there's a better time to reach out, I'm happy to circle back then.

If you are open to a brief conversation, I'd really appreciate it. Thank you so much for your time either way.
