Theatre Work and Internship Experience*

City Stage Players — *Summer Internship*

June–August 2026 - 40 hrs/wk

- Completed a dual-track summer internship encompassing both production and outreach programming
- Production: assisted the resident lighting designer on a large-scale musical and completed hang, focus, and cueing for a summer repertory play under the supervision of the technical director
- Outreach: developed curriculum and led daily sessions for a youth performance workshop serving students in grades 4–9; independently managed all scheduling and material preparation over a six-week pilot run

UChicago: Arts Center — *Lighting Technician*

October 2025 – Present - Part-Time

- Provides lighting and technical support for a wide range of events including dance performances, lectures, and student productions in a multi-use venue
- Operates and maintains house lighting systems; collaborates with visiting artists and internal clients to execute lighting designs to specification

Riverside Theater — *Lighting Intern and Programmer*

May – June 2025 - 40 hrs/wk

- Supported a professional lighting designer through all phases of production, from drafting and magic sheet preparation to programming and tech notes
- Operated the lightboard during technical rehearsals and previews; responsible for maintaining cue accuracy and responding to real-time design adjustments

Skills

- Lighting design - programming lights and hanging lights
- Stage crew - spotlight operator, backstage crew, fly rail, lightboard operator, and sound board operator
- Experience with Vectorworks, Qlab, Lightwright, Beamwright, ETC Nomad, and video streaming

* Excluded: all acting roles and shows with less than 10 hours of tech rehearsal

* School clubs and extracurriculars excluded
