

## Overview

Language skills open doors to a world of opportunities. Studying another language gives you strong communication skills, cultural sensitivity, and adaptability. Language skills prepare students for many career paths such as international business, diplomacy, journalism, and more! They can also strengthen your application for graduate programs and competitive fellowships like Fulbright, Boren, DAAD, Schwarzman, or Critical Language Scholarships.

## FIRST THINGS FIRST

*Get started with these resources and stay up-to-date on language events and internships!*

- **Explore Metcalf opportunities in Handshake** to find paid, substantive internships around the world.
- **Sign up for Career Advancement's Language Careers Newsletter** to get regular updates on events and opportunities.

## TRY IT OUT
